

Monday Minders – July 25, 2016  
First Presbyterian of Hector & Lodi Presbyterian Church

Dear members and friends,

This week I'm at a conference titled "Rethinking Sunday Morning: Better Questions, Bolder Experiments." We're all working so hard to make church "work." But are we clear about the mission of the church, what is our purpose? If a major purpose for the church is faith formation (something we promise at every baptism), are all the things the church is doing helping to build faith? And if some aren't, shouldn't we change or replace those things since they only serve to distract us from what's important. I hope to share more in future newsletters.

This Sunday, we will have a hymn-based service. I've tried to include as many of your requests as possible. Get ready to come into God's presence with singing!

Grace & peace,  
Pastor Jim
