Choir Corner

With Al Galletly

Today's one anthem – "Draw Us In the Spirit's Tether" was written by Harold W. Friedell. It has become a church choir standard. Friedell is somewhat of a "local" having been born (1905) in Jamaica, Queens. He spent most of his life in the Metropolitan NYC area. He studied organ and composition at Julliard, and later taught there. He was organist and choirmaster at a number of NYC churches; his last post having been at St. Bartholomew's on Park Avenue. He composed this morning's anthem in 1957. The following February, he died of a heart attack while walking to the train station in Hastings-on-Hudson following a heavy snow storm. He is buried at Sleepy Hollow Cemetery in Tarrytown, NY.

Children's Church News

With Nate Taylor

This week all of our classes will explore the story from Genesis 2. God created a person from dust and breathed life into the new creation. God then plants a beautiful garden in Eden full of every type of living thing and makes humankind the caretaker for God's creation. God gave the first human a job; do you feel like God gives you jobs to do? How can your job bring glory and honor to God? Ask your students what it would be like to feel their job is one God wants them to do, and share with them how your job honors God.
