

Northminster Day School School Closure Criteria

Northminster Day School may be closed due to pandemic-related circumstances.

If closure occurs before school starts, and as a result there is a delay to the 1st day of school, families will receive a refund. The refund amount will be pro-rated and credited to your account.

If closure occurs after school has started, the first 15 days of school closure (cumulatively) will not be subject to a tuition refund or staff pay reduction.

After 15 days of school closure (cumulatively), a percentage of tuition will be refunded, and teacher salaries will be reduced by that same percentage.
