

Min. Rusty's Bible Study Returns

Someone recently said that there are rumors everywhere the end of time is coming! Well, one way or another that has to be right! But, what does it mean? So often, rumors and stories and predictions of the end of time have the connection to the biblical book of the revelation. This spring, we will be studying The Book of Revelation and comparing the historical prophecies and predictions about the end of time with the original historical and theological purposes of the book.

Come check it out! Everyone is invited and welcomed! We meet each Tuesday in the Bell room at HVPC. **The class will begin on Feb 11th from 12 to 1pm.**

The first offering is from 12 to 1pm. The second offering (same content) will meet later that evening from 6pm to 7pm.

What does God have in store for us? Are demons real? Is it time for panic or peace? Are we talking Heaven or Hades?

This spring, we will all explore it together!
