

## Harbor View Presbyterian Church Weekly Newsletter

Session has approved a new vision and mission statement for our congregation. **"Sharing God's Love with All" - Mark 12:31** is now the Vision statement for Harbor View Presbyterian Church that describes "who we want to be". Now, how do we get there? Our mission statement is how we plan to get there. The Mission statement is:

**Harbor View Presbyterian is a *neighborhood church that fosters relationships through worship and fellowship, spreads love through outreach, and seeks to create a spiritual environment for lifelong learning.***

Our recently formed Shepherding group has been praying and working to discern God's guidance in creating these statements for the last four months. The team members are Ed Wirth (chair), Jan Kucklick, Nancy Parnelle, Gary Gist, Carolyn Bondarenka, Deborah Bobo, and Rusty Benton (ex officio).

Two Sundays ago, we had everyone write down the one word or phrase that comes to mind when they think of Harbor View. We projected the words onto a screen and have now made them into a beautiful word cloud to show what we **all** believe makes us "HVPC". The size of the words indicate the frequency of use. For example, the word **Love** was written down more times than any other. We all certainly feel the love whenever we are together!

The Shepherding group is continuing to seek input from the congregation. For the next several weeks, there will be posters around the building for you to write your ideas about this question - If money were no object, what would you like to see happen at our church? **Look for the "HVPC heart" around the church - it's your turn to think big and outside the box.**
