

Sunday Services

Our services will be on Facebook Live again this week. Last week's service was held on Pastor Rusty's boat on the Stono River. Tune in at 9:25 to see where Pastor Rusty will be this week. We will gather for the first 5 minutes, so let us know in the comments that you are with us, and the service will begin at 9:30.

You may wish to hit the button below the feed to host a watch party. You can invite friends and family to join us in the service. This is a wonderful way to spread God's love.

A promotional graphic for Right Now Media. At the top, it says "rightnow MEDIA" in a stylized font. Below that, it reads "OUR CHURCH'S BIBLE STUDY LIBRARY IS NOW DIGITAL... AND GIGANTIC" in large, bold, white letters. Underneath, it says "OVER 20,000 DISCIPLESHIP VIDEOS FOR KIDS, YOUTH AND ADULTS." The graphic features several digital devices: a smartphone, a tablet, a laptop, and a desktop monitor, all displaying the Right Now Media website interface. A circular badge on the right says "JOIN for FREE". At the bottom, it lists various devices and platforms: "Download the app:" followed by icons for iOS, android, Roku, Apple TV, chromecast, and fire tv. The website URL "www.rightnowmedia.org" is at the bottom right.

Right Now Media

Dear HVPC members and friends,

You should have received an email earlier this week about a gift from Harbor View. **This is a legitimate email.** We have subscribed to a media service to provide Christian Content to all of our members. It is like Netflix for church. We felt that it was important to begin providing this service since we are all remaining socially distant from one another. This content will assist you with your Christian Education needs at this time and into the future.

Please click on the Harbor View Presbyterian Channel for videos that we recommend to you. We will also be featuring video reviews from staff and members in our weekly newsletter. Hanna Crosby is providing us with a review in this newsletter. If you find something you love, please feel free to write it up and send it to the church office for the newsletter.

Sharing the love of God with All,
Deborah Bobo

Right Now Media has wonderful videos for all ages. Video title: Spiritual Essential Oils: [CLICK HERE](#). This week I want to share with you a video called Spiritual Essential Oils. As I am sitting here writing this I am personally diffusing essential oils in my home. I

am not sure they are helping me to stay healthy but I am trying anyway and if nothing else they smell great! As I watched Spiritual Essential Oils I just had to laugh. This video is perfect for this week. We are feeling cooped up, tired of bad news and maybe even frustrated with our children and the new homeschooling routine. Take a minute to watch this video and feel refreshed. We need to remember to allow ourselves time to be with God in prayer and meditation during this challenging time. So put on some "Spiritual Essential Oils" and relax. Enjoy a time of sabbath this week, give yourself grace and remember we are getting through this together. You've got this! ~ Hanna Crosby

Christian Education Resources

A list of online curricula and devotional material has been compiled for use at home. This material includes options for all members of our church family including individuals, families and larger groups. This material is also free and easily accessed. If you have any questions about any Christian Education material or how to access any material, please contact Hanna or Rusty during standard office hours. **For Week 2 Resources, [CLICK HERE](#).**

Giving

To the Congregation of Harbor View Presbyterian,

We understand that this is a difficult time for everyone. Many folks have lost their jobs, or at the very least, are working from home. Our services are being broadcast through Facebook because that is our only real way to hold them at this time. Thankfully, technology allows us to be able to experience a time of prayer and worship in a communal way. Please contact Deborah Bobo if you need assistance with accessing this content. (843-437-6606)

Obviously, we are unable to take up an offering through this experience. Please consider using our online portal at harborviewpc.org to keep up with your pledges. If you are uncomfortable with this, you may simply mail your offering, in the form of a check, to the church. It is important that we receive offerings in order to continue to pay salaries and expenses.

Times are tough for many, so we are looking into ways to help our community at this time. If you know of communities or people that need assistance, please contact us by email and we will see what Harbor View can do to help.

MEMBER CARE TEAM

Session wanted you to know that we have a "newly formed" **Member Care Team** for our church. This group is comprised of Lucille and Bill Royall, Wilma Deddish, Barbara Atwater, Gail Truluck, Jackie and Bob Davison, Sandra Russ and Anne John. The purpose is to have a group serve the congregation by reaching out and checking on one another. In the days ahead, the Member

Care Team along with Session members will be reaching out to our church family. Our connection to one another is so important especially in times of crisis and stress. Session also has a "team" on standby willing to run errands for those who fall into the category of older individuals or those with compromised health conditions that should avoid being out among others. Please contact Rusty at 864-399-2298 if you are in need of errands to be picked up such as food, medicines, supplies, etc. Rusty will be in contact with this team.
