### Facebook Help!

Many of you have expressed an interest in better understanding how to find our services and posts on Facebook. Facebook has several features that will help you. Here is a [tutorial](#) to help you be sure that you are seeing Harbor View posts in your Facebook feed.

We look forward to worshipping with you on Facebook Live again this week. When you find us, click on "Watch Party" and you will be inviting your friends to join us. This is just one way we can "Share God's love with all!"

*Look in your mail for a special surprise from the Church just in time for **Palm Sunday**. There is also a letter in the envelope that will need your prayers and consideration.*

*They took palm branches and went out to meet him shouting, "Hosanna! Blessed is he who comes in the name of the Lord!"*

*Blessed is the King of Israel!"*

*~ John 12:13*

### Virtual Easter Egg Hunt!

We are teaming up with other PC(USA) churches in the Charleston and Charlotte areas to hunt Easter eggs! Join us in the hunt!

Beginning today you can post pictures to Facebook and/or Instagram of you with your Easter eggs! The posts should include the hashtag #onebasket2020 and tag your church.

Families can search the hashtags to find eggs after noon on Saturday, April 11! Children are encouraged to search with their families. Get creative... count how many you find, how many churches and camps you find them from, or even map out the places your eggs are coming from!

\*Guardians should always monitor their children online. We cannot control the use of hashtags or other items in your newsfeeds, so we all need to watch and make sure anything inappropriate is reported\*

# VIRTUAL EASTER EGG HUNT

Re-read the Easter story in your Bible. Before noon on April 11, post a picture that includes an Easter egg and tells us what Easter means to you.

Use the hashtag **#onebasket2020** and tag your church or camp! Families, see how many eggs and stories you can find!

*As always, please monitor your child's use of media.*

## Prayer Tree: Everyone Welcome to Pray!

We have set up a Prayer Tree in the butterfly garden near the playground. In order to prevent the spread of germs we will not have supplies at the tree. Please take time at home to write your prayer on a ribbon or piece of cloth and bring it to the tree. Once you are ready we invite you to attach your prayer to the white strings on the tree and take a moment to pray for the following.

World  
The Most Vulnerable  
Health Care Workers and First Responders  
Family or Self  
Physical and Mental Health  
The Church

## Right Now Media

Dear HVPC members and friends,

You should have received an email about a gift from Harbor View. **This is a legitimate email.** We have subscribed to a media service to provide Christian Content to all of our members. It is like Netflix for church. We felt that it was important to begin providing this service since we are all remaining socially distant from one another. This content will assist you with your Christian Education needs at this time and into the future.

Please click on the Harbor View Presbyterian Channel for videos that we recommend to you. If you find something you love, please feel free to write it up and send it to the church office for the newsletter.
