Seeking Technology Assistance

We are building 2-3 teams of people to run our new technology at the church. If you love technology and learning and would like to help, please contact [Deborah Bobo](#) to set up a time to talk about what is involved and see if you would like to be a part of it. Resuming Worship. As we prepare to resume in person worship at Harbor View, we have been discussing what that will look like. We understand that not everyone will plan to return at the same time, so we are asking that you complete this [two question survey](#) to give us a picture of what to expect. Our services will continue to be available online, but our in person services will look a bit different. We will be utilizing every other pew with 6 people to a pew. Families are asked to sit together. Nursery will be available. Of course, if you or a family member have fever or other symptoms, we ask that you view the service from your home.

We will no longer be using pew pads or bulletins. Order of worship and hymns will be projected on the screens in the sanctuary to minimize contact between people. The sanctuary will be thoroughly cleaned every Sunday evening as well. Also, if anyone tests positive for COVID after attending a service, the congregation will be notified. We look forward to being together again and regret that we can't hug and shake hands, but, hopefully, that will come.

If you have concerns or needs, please do not hesitate to contact Rusty or any of our elders. We are all in this together and wish to give you as much love and support as possible.

Church Life Committee invites you to "Share a Meal!" Thank you for all those who took meals recently to John and Page Thomas as well as Jennifer Harriett (daughter of John and Sharon Lisi) this past month. We would like to continue to provide a meal for John and Page Thomas in May. If you are able to "share a meal," please click

on the attached link to sign-up: "[Share A Meal](#)". Just enter in your information by the date! If you have any questions about signing up with this link, you may contact Karen Rollins at 843-276-8319.
