The new sanctuary reopening date is Sunday, June 14th. When we once again begin worshipping in our sanctuary, there, of course, will be some changes. We want to be as safe as possible for everyone. In order to do this, we recommend a mask be worn at all times. If you are feeling sick or have been exposed to the coronavirus, please worship with us on Facebook. There will be hand sanitizer in the narthex, but bringing your own would be wonderful. There will no bulletins or children's worship bags. However, there will be a nursery. Offering will be collected in a basket in the narthex.. When you arrive at church, as much as you'd like to gather and chat, we ask that you go directly to your seat. Ushers will be helping with this. The seats are clearly marked and spaced so that seating will be within Covid guidelines. We have always enjoyed passing the peace and greeting everyone. We will still be able to do that but only with smiles and waves. Gary will be handling the music, so you know it will be wonderful. However, there will probably be no congregational singing for now. When the service is over, ushers will help dismiss the congregation row by row. Thank you for following these guidelines for opening our sanctuary for worship. It will be wonderful just seeing friends.
