

Oneness Embraced

Some of our members have decided to complete a study in RightNow Media on Tony Evan's video series entitled *Oneness Embraced* and we would love for anyone interested to join us. "In this legacy message, Tony Evans seeks to promote a biblical understanding of the kingdom foundation of oneness by detailing why we don't have it, what we need to do to get it, and what it will look like when we live it."

We will kick off with an opening meeting on Google Meet on Thursday, July 2 at 7:00 pm. There are 6 videos in the series. Each lasts 10-13 minutes. If you wish to join us, please watch the first video of the series and be prepared to discuss. You need to send an email to deborah@harborviewpc.org and you will receive an invitation to the Google Meet. Meet is best viewed on a computer with a camera through the Chrome browser. If you want the best view, you need to install [Grid View](#) prior to joining the session. (This is the most up to date version, so if you installed previously, you may wish to reinstall.) You can also use the Google Meet app on your phone or tablet or join by phone.

If you have not activated a subscription to RightNow Media, you may do so using this link - bit.ly/HARBORVIEW where you will create a profile. You can then access

The Tie That Binds

Blessings and peace to everyone! I hope that this find everybody in good spirits and good health!

I just wanted to touch base and share that over the past few weeks, the pastors of St. James Presbyterian, James Island Presbyterian and Harbor View Presbyterian (that's

us!) have been meeting on a weekly basis to discuss the current racial issues in our society. As such, we have begun to formulate/discern a plan that we believe will help move us all toward a spiritually and relationally great direction. So far, we have all planned to center thoughts and ideas around a common scriptural and spiritual theme: That theme is “The Tie That Binds.”

Some of the activities and opportunities that we are looking forward to sharing in together include a prayer vigil, a support drive (driving as a group in individual vehicles) around James Island, a virtual concert, joint worship services, social get togethers and of course continuing to participate in the already established ministries that we do together such as the weekly Lenten services in the spring.

Of course, this list is not exhaustive and much of what is here will be subject to changes that may become part of our lives due to COVID-19, governmental recommendations and of course safety precautions that should be observed to help maintain a healthy and safe community.

Prayer and thoughts are always so very welcomed in all circumstances. This has never been more true than in this time of such great change in our lives. Working toward a just and loving society for everyone is no easy task. We look forward to each great step that God calls us to take together and believe that the path that He sets us on will be the path that will take us to the place that we truly need to be!

In Christ,
Rusty
