

Art Journaling

Mystery project

We will meet on Saturday, August 1st at 10 in the Fellowship Hall. Everyone will work at their own table, so we will have plenty of social distance. Please bring the following items:

- Two colors of paint that you love (acrylic)
- Paint brush
- 1 magazine with pictures that you can cut up
- Heavy piece of paper or your journal
- Pencil
- Scissors
- Glue or gel medium
- Permanent marker (black and you may want a white one. They have correction pens at the dollar store that are great too)
- A couple of stamps that you love
- Stamp pad
- Any of your other favorite supplies

If you don't have everything you need, there are items on the art cart that you can use.

Let's Have Some Fun

Our session is learning to use some new tools to interact with our congregation. We would love for you to try this one out with us. Click on the link below, read the prompt, click on the plus sign in the lower right hand corner of the page and post your response. Come back to the link later and read what others have posted.

Online Church Services Sharing God's love with all!

Thank you for all of your patience with our online services. We are still learning and now, thanks to our session and the generosity of our members, we are purchasing some additional equipment that will make things run smoother and both look and sound better. Keep in mind that there are growing pains. When we embarked on this mission we had no

idea how long we would be worshipping online. We have expanded our congregation with 400-500 folks watching our service every week (not always live, but many after we are done). This is very exciting and we are looking forward to making the experience even better.

If you would like to be a part of our technology team, please email deborah@harborviewpc.org. We need at least 2 more members. It is fun, challenging, and very rewarding!

Also, remember, you can view our services at 9:30 am on our [Facebook Page](#) or by using the Boxcast application on your smart TV. All you need to do with Boxcast is search HVPC.

Lastly, our vision statement is Sharing God's Love With All! If you would, please share our Facebook posts and host a watch party on Sundays. If you need some directions on how best to do this, [watch this quick video](#).

HVPC Member Book Publication. *The Death of Annie* by C. Thomas Cook, MD was recently published! It's available online through Barnes & Noble, Amazon and in digital form. If you Google the name of the book you will see a list of entries, one of which is a short video describing the book. Click [here](#) to read the introductory pages.

Congratulations, Tom!
