

WHERE ARE WE?

Hi all and blessings in Christ!

Just a quick note to let everyone know where we are as it relates to returning to the sanctuary for "in person" worship at HVPC.

A few weeks ago, the Session established a task force to investigate how and when we can both safely return to physically worshipping together in the sanctuary on Sunday morning and safely host groups that want to gather on the HVPC campus. These activities were, of course, interrupted due to the CoronaVirus pandemic that is still very much a part of our lives.

Wednesday, September 9th, the task force presented their report and recommendations to the Session who approved the multi-phase plan. There are still a few final details left to sort out, but the approved plan should be completed and available to everyone within the next two weeks! The report will be published in the newsletter. Of course, please feel free to contact me (Rusty) or any of our currently serving Session members if you have any questions.

Blessings and peace to everyone!

KICK OFF SUNDAY

Sunday School begins on September 13, 2020. There are lessons for everyone so please join us for a virtual meeting with our adult classes or check out the video for our elementary class about Noah. It features Pastor Rusty and Beth Hyams. Details about the lessons are located in this [document](#).

Turn the Sound Up for Worship!

We've cranked up the sound with our new equipment in the sanctuary and will be tweaking the sound again this week. If you are still having trouble hearing there are a couple of things you can do. Try watching us on the Boxcast app on your TV. This should give you the best experience. If that is not an option, here is a quick video with a [tip for Facebook](#). Another option would be headphones on your computer or phone. We want everyone to continue to enjoy our online services. These will be a permanent part of worship even when we are allowed to return to the sanctuary so that we can continue to Share God's Love with All! You will never need to miss a message!

Many thanks to our tech team - Jan Kucklick, Michelle Lingenfelter, Anna Linville, and Bill Spence - for rockin' it! We need at least 3 more volunteers to keep the load light for everyone! Please consider joining us and email deborah@harborviewpc.org to sign up.

Flipgrid

DropBox

Google Drive

Show us what you've got! We are creating a showcase of talent, hobbies, and interests. This is a great way to get to know one another better during a time when we are unable to physically be together. The most difficult part of this process is sharing the videos. We have created

a video that will show you how to do this. If you choose to use your phone for share, you will need to download an app for your method of choice - Flipgrid, Google Drive, or Dropbox. If you have a gmail account, you have a google drive associated with that account. **The deadline for submissions is today (Thursday, 9/10)!**

Take a look at this video -[HVPC Showcase - How to share videos](#) This should help you. If you don't do a lot of videos, the Flipgrid method will likely be the easiest way for you to share.

Remember - these are your options for submitting videos:

Upload or record a video at flipgrid.com/eaae59cb - the guest password is HVPCshow

Email a link from Google Drive or Dropbox to deborah@harborviewpc.org

Email photos or very short videos directly to deborah@harborviewpc.org

Please use the word Showcase in the subject of your emails
