This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us. And if we know that he hears us—whatever we ask—we know that we have what we asked of him. ~ 1 John 14

One of the greatest blessings that we have is the blessing of living in relationship to The God who deeply and intimately cares about all of us. As God's people, one of the greatest ways to live into this blessing is to connect with God through conversation, thought, meditation and a desire to just share life with our Lord. We hope and pray that these words and thoughts encourage us all in a direction of unity, compassion, hope, strength and life with our Lord.

Have you been feeling the call to serve our community and share "God's Love with All"?

Well, we have the committee for YOU!

The **Outreach Committee** is seeking members to join in fun and fellowship. Following Covid Protocols, the committee is excited to get busy with upcoming events for those in need. Please contact Pam Hays 843-367-1814 pam@harborviewpc.org or Chad Atwater 843-460-8623 chad@harborviewpc.org.

College Care Packages

This week we are gathering items for college care packages. This is the first of many mission projects we will do throughout the year. As you know school looks a little different this year for all of our students and we want to show our college students some extra love because they are away from home! We ask that you donate items and handmade cards for our care packages. Items can be placed in the wooden box at the front of the church. Please put your cards in a ziplock in case it rains! Make sure to write the College Care Package on your bag. Please drop off items at the church by **October 9th**. Click [here](#) for details.

The CE committee is asking for the congregation's help this Sunday at the conclusion of our service. We will film us singing "Kingdom of the Son: One Basket" and use it in one of our Elementary Education videos. Paper lyrics will be available or you may print it from this [song link](#).

THIS SUNDAY is Worldwide Communion by the Lake

We are planning to celebrate Worldwide Communion Sunday together outside by the lake side of the church on October 4, 2020, at 9:30 AM. What a wonderful time to be able to get together! We ask that everyone bring

their own chairs or blankets and their own Communion elements. We will observe CDC guidelines by **wearing masks (even though we'll be outside!)** and keeping a proper distance from others. You might also want to bring bug spray. Those who cannot attend can still join us online. We hope everyone can be with us in their own way that Sunday. If, for some reason, the weather does not look like it is going to cooperate, we will make the call by noon on Saturday, October 3. Since the weather can be very finicky, we will have to go by predictions. Check our website for any updates. If we do have to cancel, we will be celebrating Worldwide Communion Sunday live online.

Sunday School Classes

This week on October 4th, join in on any of the discussions. Details about the lessons are located in the [Sunday school Document!](#)

A SPECIAL NEW ADDITION AT HVPC!

A talented and generous group of folks have joined together both in skill and in spirit and have blessed HVPC with a new "mailbox." The new box will be placed just outside of the main doors of the church and will serve a dual purpose.

1) It will be a receptacle for after hours donations and donations that might be made during the hours/times that the church office is closed.

2) It will also serve as a station where material from the church may be picked up. Any material that may be received or disbursed in the box should be accompanied by a notification to the church office or the appropriate Session committee. Anything made available to the congregation for pickup from the box will come with a notification by email from the office.

Please be aware that any donations that may need to be protected from outside elements should be protected prior to dropping them off in the box. A sealed plastic bag is recommended for vulnerable food donations. (such as Jiffy cornbread mix!)

The box is wonderfully constructed. It is solid and secure so know that anything placed in it will be protected and well taken care of. Because there is, unfortunately, always a danger of any item being lost or stolen, we encourage everyone to refrain from placing money or sensitive material such as letters, cards or personal items in the box.

A huge thank you to the architects and builders of this gift! Your consideration and gift will serve as a blessing to Harbor View Pres from this day until (this thing is really well built) likely forever!

In Christ,

HVPC Leadership
