

**On All Saints' Day
Noon – 2 PM**

On **Sunday, November 1st** (All Saints' Day) join us for our church Fall Festival event. In an effort to be near each other in a safe way outside, we will have a fun day filled with a food truck for lunch, a “pumpkin path” to walk, a pumpkin patch photo op, scavenger hunt and music from New South Jazz Band. Children are invited to wear their costumes from Halloween. Bring a chair to sit in while you enjoy your lunch from Smokey Oaks food truck. Remember to wear your mask except while eating! While we enjoy this special time together, we also want to remember those in our community with needs. So, in conjunction with our Fall Festival, we will have a “Coats and Cans” drive...we encourage you to bring some canned goods for JI Outreach and/or coats for the Mens’ Winter Clothing project the day of the Fall Festival.
(Shhh!...We also have a special surprise planned at 1:00 PM)!

College Care Packages

Special thanks to everyone who donated, helped pack and those

Angel Tree Program

HVPC is sponsoring 20 children this Christmas season!

who continue to pray for our college students!

Gathering for Worship. Hi, everyone. Greetings from the Worship committee. We are excited to let everyone know that every Sunday through social media between 400-600 people are viewing our service. What a great response to our on-line worship service! In addition, it is also important to all of us to gather as a group. Therefore, the Worship committee continues to assess the situation according to our guidelines as to our opportunity to return to in-person worship. We will assess in accordance with Charleston County and the CDC as to what point it will be safe for our congregation to return to worship. According to our guidelines, our maximum capacity for the congregation during the pandemic will be 45 people. The Worship committee will update the congregation every two weeks as to the status of our ability to worship in person. We are currently in “moderate transmission “, however, the numbers are on a downward trend. Therefore, we would like to look at a target date sometime in November.
