*Thank you,

Art Journaling

Our group will be focusing on Kindness on Saturday, November 14 at 10:00am in the Fellowship Hall. We will create a sweet background and add a kindness quote. Bring a quote (I will have a list as well), some water based markers, a permanent marker, and an acrylic stamp block if you have one (we have a few of these we can share).

We set up a Meal Train for the Conner family. Tracy had hip and elbow surgeries. Click [here](#) to sign up for a meal.

Tip for Viewing Services Online: When you watch the service on a device connected to your home WiFi (TV, computer, iPad or iPhone) you should disconnect all other devices you may have currently connected to WiFi. You

can do this via setup versus a hard shutdown. By doing this, you free up your entire Internet bandwidth that you are currently paying for to use watching the church service. Each connected device you have on your home network constantly polls your network service to confirm that it's still alive whether it's in use or not.
