### HARBOR VIEW ELEMENTARY SCHOOL NEEDS OUR HELP!

**We have 26 boxes of tissues so far...thank you! The deadline is tomorrow (Fri, 4/30):**

Teacher Appreciation Week is **next week!** The PTA is collecting items for "Health and Wellness" care packages for every staffer (85 total). They've asked us to please help by donating **boxes of tissues** and **disinfectant spray**. Another James Island church is collecting wipes and hand sanitizer. Together, we can get this done! If you'd like to donate, please drop it off in the office or in the box outside.

### Redesigning the Future of Harbor View

In the past 2-3 years, we have seen many changes at Harbor View Presbyterian. Events of the past year have accelerated these changes. As the world around us changes, it becomes incumbent upon us as God's church, to adjust in ways that help us to serve and love each other in the very best ways that we can. In light of these changes and after much prayerful consideration,

vision planning, and continued discussion with and listening to the congregation and the community around us, the Operations committee, with the guidance of the Session, has discerned a variety of opportunities for growth at HVPC.

The first of those opportunities includes some changes in our staffing structure. The position of Director of Educational Ministries has been eliminated, so Hanna will be leaving us. We will miss her quiet, thoughtful presence, but we know that God has great things in store for her. One of the ways that we will work to serve our youth and the congregation as a whole in this transition, will be to develop a team of dedicated volunteers who will help to lead, guide and build both our youth and our children's ministry programs. This team will work together with the guidance and hands on support of Rusty. We will need 3-6 volunteers who are dedicated to creating an exciting and spiritually nurturing program for our youth. Please let us know if you are called to step up in this capacity. As we look and

move forward, we will be forming a search committee whose call will be to help us find the next part-time staff leader that God has for our children, families, and faith community.

As for Hanna, we wish her the best in the next part of her journey. We will always love and support her. We are still determining the best way to celebrate Hanna's time with us. More details will follow.
