

## Harbor View Presbyterian Church Weekly Newsletter

---

After the difficult times we've shared due to Covid, it is with great pleasure that we are reopening the Sanctuary this **Sunday, May 23rd** for all who wish to come. We, like so many others, endured the pandemic and its countless hardships including closing our beloved Sanctuary doors and eventually re-opening at limited capacity. But, by the grace of God, we have reached a point where we can once again worship together in our sacred place. We welcome you back with open arms and hope that you'll feel at home again. HVPC will **no longer have sign ups to attend in-person worship**. However, we will continue to encourage social distancing with seating in every other pew and masks in the Sanctuary. We thank you in advance for your cooperation as we celebrate this milestone with thankful hearts. ~ Worship Committee

### SANCTUARY FLOWERS

Mickie B. created three silk floral arrangements to use for Sanctuary flowers (see photo for A, B and C options). If you'd like to use one of them for a Sunday dedication, please sign up [here](#), indicate which arrangement you'd like to use and consider making a contribution to the church. Fresh flowers are always appreciated as well.

This year HVPC has 7 amazing High School Graduates. We would like to send them off with a book full of well wishes and words of advice. Please stop in the Narthex on a Sunday morning and sign the graduates books. Their names are in the front of each book. Thank you for loving these amazing youth over the years!!!

#### 2021 Graduates:

Ashley Atwater - USC School of Nursing  
Emily Chihocky - USC School of Nursing  
Lane Copeland - Clemson  
Whitney Harriett - Trident Tech  
Julien Kucklick - School of Visual Arts in NYC  
Fisher Lingenfelter - National Guard  
Yuria Sloane - Mississippi State

**CONGRATULATIONS, EMILY!** We cannot believe our little Peach is heading off to college! Emily has been an honor student throughout high school. She has worked on the school newspaper, studied karate, and also played lacrosse. This past summer, she worked at James Island County Park as a life guard, and during her senior year, throughout the pandemic, has worked two jobs, one at the Mt. Pleasant Fishing Pier and one at Paisano's Pizza on James Island. She likes animals, shopping, and enjoys hanging out with her friends, especially at the beach. She is headed to USC-Columbia this fall to study nursing because she loves helping people.

This summer look for our “**Small Group Summer Series**”. We have organized some fun events for people to gather together in smaller groups. We have been separated for far too long due to Covid-19 and hope these fun gatherings remind us of what it means to fellowship together. **Coming Up:**

Come to a “**tower garden tea party**” for casual discussion about aeroponics, medicinal herbs, and a healthy recipe swap. Thursday May 27th 11:00 at Alixanna Benson’s home. Light refreshments will be served. Ten plant lovers max. (Please email your fave plant-based recipe ahead to the church office at [office@harborviewpc.org](mailto:office@harborviewpc.org)).
