

Covid Update

Our session met last week to discuss our plans in light of the higher COVID numbers. At this time we have decided to continue with open worship, but we would like to recommend that masks be worn in the sanctuary and in Sunday School Classrooms and ask that you follow social distancing protocols. We would also like for everyone to feel free to worship in the way that is most comfortable at this time. Our services will continue to be available on Facebook and Boxcast, so you have many options for worship. We are praying for everyone to stay safe and healthy. If you have any needs or concerns, please contact the church office or Rusty.
