**All Saints' Day**, also known as All Hallows' Day, is a Christian celebration in honor of all the saints from Christian history. Who is a saint? You are. God calls a "saint" anyone who

trusts in Christ.

The Christian festival of All Saints' Day comes from a conviction that there is a spiritual connection between those in Heaven and on Earth. Additionally, individuals throughout Christian history are celebrated, such as Peter the Apostle, John Wesley, Saint Francis of Assisi and John Calvin.

In addition to worship gatherings, "All Saints' Day" annually reminds us of our connectedness as Christians and is commemorated every November 1st.

### What is Stewardship?

Christian Stewardship is a way of living that is about the careful and responsible management of what God entrusts to our care. Since God is the maker and giver of all things, that means that everything falls into this category because all of it is a part of our lives!

This year at HVPC we will joyfully celebrate the gifts that we have been given and consider how we might use them responsibly and for the good of all of our lives! We will celebrate the season of Stewardship this year throughout the month of November and use this time to focus on how we can share God's love with all here, there and everywhere!

May we all look forward to a time of reflection, celebration and excitement about what God has done and will do as we consider God's call to us to share our lives, ourselves and our faith with each other and our world!

### GOODBYE CELEBRATION FOR THE GILBERTS

Please join us for cake and coffee after worship in the Fellowship Hall on **Sunday, November 7th** to say goodbye to our good friends, Gail and Chris Gilbert. The Gilberts have been long time members of the church. We will miss them and wish them well as they move to St. Louis to be closer to family.

As announced there will be a Congregational Meeting at the close of worship on **Sunday, October 31, 2021** for the purpose of electing members to serve on the elder nominating committee. The elder nominating committee has the responsibility of asking active members to serve as elders in the class of 2024. The following people have agreed to serve on the elder nominating committee: Nancy Andrews, Bob Davison, Betty DeVane, and Karen Rollins. Nominations may be made from the floor, but it is necessary to obtain the
