

PCCH Preschool Photo Waiver Form
2019/2020

We request permission to photograph the process, projects and rhythms of our preschool day through your child's perspective. We post daily on Instagram at @pcch_preschool and occasionally to our website PCCHpreschool.org and other brochure literature. Unless specifically asked of you on an individual basis, Instagram will not feature your child's face. The website and brochure literature, however, will feature faces. Please indicate whether we are able to feature a photo of your child on these platforms.
