

PCCH Preschool Photo Waiver Form

We request permission to photograph the process, projects and rhythms of our preschool day through your child's perspective. We post daily on private Instagram at @pcch_preschool. We also have a Facebook page where we occasionally share news about our school. Unless specifically asked of you on an individual basis, Instagram will not feature your child's face. We rarely post pictures on Facebook. Please indicate whether we are able to feature a photo of your child on these platforms.

Check the box to indicate permission and write in your child's name:

I grant PCCH Preschool permission to feature my child,
_____, on its social media platforms.

OR

I DO NOT grant PCCH Preschool permission to feature my child,
_____, on its social media platforms.
