PASTOR'S PONDERINGS...

...for people like us...

... in times like this...

‘REAL TIME: A Life That Is Abundant!’

Dear friends & followers @ New Life,

Jesus was asked about the greatest commandment. In other words... what “rule of life” is the best? *“Love the Lord your God with all your heart and all your strength and all your mind.”* He knew those words from the Hebrew texts in Deuteronomy. Then he tossed in a line from Leviticus. *“And equally important is to love your neighbor as yourself.”* This was Jesus’ recipe for an abundant life. We live in such an incredible time. The world gets smaller by the minute. It’s no longer a world where we live our lives on our side of the ocean and others live their lives on their side of the ocean and we never get to know about what goes on. Or at least to find out days, weeks or months later. It’s taken the question asked of Jesus to a whole new level... when he was quizzed with the words, *“and who is my neighbor?”* They don’t just live next door anymore... they say... and the neighborhood is global AND we don’t just live life and view life anymore from day to day... we do it in *“real time!”* What does that mean? It means we don’t always see things by videotape... although YouTube might disagree... it means we see whatever is happening happens live and in color. It’s not a new thing; but its more real than ever. Vietnam came live into our living rooms. War. In our homes. Same goes for 9/11 events and the response to live attacks and advances into Iraq and Afghanistan. And then there was Hurricane Harvey... the images of millions of dollars of damage and millions of acts of kindness and the love of neighbor lived out by tens of thousands upon tens thousands of people. It’s a different experience than watching an Astros game... even though we all enjoyed to live stream into our living rooms in October 2017... giving south Texas cause to celebrate even though the next morning most remained in ‘recovery’ mode.

But, when we really get to thinking about all this... living in real time is what we do all the time. It’s what we’ve always done. Even when Jesus was asked... *“Who is my neighbor?”* Otherwise, we are all pretenders. True, the world is smaller via satellite, cable and our high tech gadgets and gizmos making the neighborhood seem a bit larger and a bit more daunting from time to time. Face it. Most of the planet still lives from day to day... eking out an existence to survive one more day only to get up and repeat that day over and over. But, in the USA, that’s not been the case in the last 100 years and especially since the 1950’s as our quality of life has out-paced the rest of the world. The band *Loverboy* got it right when they sang, *“everybody’s working for the weekend”* knowing that we could live pretty well for a pretty good while if we all stopped working... you get that. So, does the world as their neighborhood is not shrinking either. Sure, we’d have to return to work... but we’d make more than \$350 a year... the wage of most young males living in the southern hemisphere.

Every moment counts. You want a great life? An abundant life? Take Jesus’ recipe for life to heart. Love God. Serve neighbor. Tend to yourself in a faithful way. It’s not easy; just worth it!! Spiritual growth. Care for those around you. Healthy, grounded servants of God alive in the world in Jesus’ name!

Dear Brothers and Sisters in Christ,

We had a very good turnout for both of our IRS meetings. The tone was very positive and I am extremely proud of this congregation. Those of you who were in attendance really stepped up, and helped us to the tune of \$75,000.00. We are hoping that the rest of the congregation will also help. It was brought up at one of the meetings that we should contact everybody and give all the parishioners an opportunity to get us over this speed bump.

I have been in contact with the synod CPA and he is currently filing paperwork for a debt settlement. He seems to be confident that we can reach an agreement with the IRS. The only uncertainty is how much of the fines we will actually have to pay.

We are off to a great start. The way this congregation has come together is amazing. The CPA is in disbelief that we could raise this kind of money so fast.

Thank all of you for your love and support of New Life. Together we can do great things.

In Christ,

Rudy Moreno

Youth & Family

Hello, New Life Church family,

Day Camp 2019 was fantastic in so many special ways. We had a high of 23 kids with 8 kids who attend church elsewhere. Our three female LutherHill counselors did a great job caring and guiding the campers. Their energy, faithfulness and personalities were all blessings to the adults and campers. Regarding our volunteers, thanks to our adults (especially Cheryl and Barbara who cooked, Helen B. for housing all 3 counselors, all the people who made donations and other adults who helped with kitchen / fellowship hall tasks). Our youth volunteers included JR, Victoria, Sophia, Destiny, Michael, Kip and adult, Aimee. As always, none of this happens without your generosity, faithfulness and sacrifice. Finally, the water slide was terrific and well worth it! Thanks to the Cummings for donating their water balloons as we chased kids to their screams of joy (let's call it Joy). Feel free to see the pix on our Sunday School Facebook page and in this Newsletter issue on Page 7.

Throughout the summer, there will be opportunities for your youth to see movies, bowl, and any other fun (indoor) environments. I am always open to suggestions. On a side note, thanks to those who are willing and able to bring their kids to Sunday School as attendance changes dramatically week to week. On 6/23, I was happy to take 4 youth (2 visiting friends of JR) to lunch and enjoy the time of sharing, caring and fellowshiping in the truest sense. The best part is the "want to" of these times and meals. We still talk fondly of Oklahoma 2017 so we are hoping to head up that area again next summer or thereabouts. It would be great to take your kids' friends, as well.

In late July, we are heading out to Grand Canyon for a week-long trip. We are renting a van, Jenaro and Aimee are driving and being an adult presence. I really appreciate the youth who are able to attend and enjoy this incredible part of the Lord's creation. I saw Grand Canyon in May of 2010. Just, wow. Spectacular. I went with a bunch of Korean pastors, and I was good and sick. I look forward to attending with my present brothers and sisters.

If you are interested in attending a Lutherhill Sumer Camp, then July 14-19 is our target date. Last year, we sent 3 little ones. This year we are sending 2 (so far) which is great. Please contact me if your child / youth wants to attend. There may still be room for various ages. Cost for camps is 40% by you and the other 60% is through the church and budget. If you are a confirmation student, please register before December to save as much as \$100 off registration!

Sincerely,
Sang Kim
Director for Youth and Family Faith Formation

Thursday, July 11th is the Monthly Garden Lecture, sponsored by Brazoria County Master Gardeners and Keep Pearland Beautiful. The lecture is about Native Plants & Prairie Gardens. The lecture begins at 7 P.M. at the Delores Fenwick Nature Center in the John Hargrove Environmental Complex on Magnolia Parkway.

Monday, June 15th is Open Garden Day at the Harris County Master Gardeners' "Genoa Friendship Garden" on Genoa Red Bluff at 9 A.M. Come and enjoy the multiple gardens, orchards, and flower/herb gardens. There are always plants for sale in the greenhouse as well.

During the Industrial Revolution up to late 20th century we were becoming very adept at using and manipulating our environment to work for us in order to satisfy our needs. We dammed rivers to supply drinking water, to irrigate arid and desert lands for farms and cities, to supply energy, and to provide places for recreation. We drained swamps to create more land. In some cities, garbage was dumped on the coast to extend property for expressways, ports, residential, and business purposes. We clear cut forests for strip mining, transportation, and urban development. We called it civilization and were proud of how clever we were. We created marvelous products and we had so much that we could throw away and stop repairing the old. There is always something newer and better. We can solve any problem. We are so powerful!

In recent years, we've come to realize more and more, that nothing is truly simple. Many of our solutions have created new problems. As we manage our storm water by rushing it away from our homes over concrete through pipes to the waterways to hurry to the sea, we are creating flooding situations, filling our rivers and oceans with pollution, and destroying a basic source needed for life itself. We are bypassing nature's filtration system. Slowing down the gift from heaven as it passes through the canopy of vegetation, seeps into the ground, flows slowly through swamps and wetlands and makes its way to the sea resupplies the ground water table and filters the water for continuous sustenance for ourselves and sea life that is necessary for the balance of nature. Our wonderful fertilizers that help our farmers grow bountiful produce and the phosphates in detergent to assist in laundering our clothes also encourage plant growth in the sea that uses up the oxygen needed by fish and causes massive fish kills. Even our wonder drugs that we flush down the toilet affect sea life. Our abundance of disposables litters our roadsides and finds its way into the oceans also killing sea life.

In our efforts to make life better, we are poisoning our water, air, and food, ignoring the real needs of our brothers and sisters to live together in harmony on a safe and healthy planet. Environmental Impact has become an expression of control, regulations, and controversy. Yet, as believers of the one true God, creator of all that is, isn't our mission on Earth to be good stewards of our planet? God gave us free will. We make our decisions and whatever we do or say has an impact. What kind of impact will we make today?

Turtle Patrol started on April 1st. Karen, Terri and MaryAnn are trekking 6.5-8 miles every Friday til mid-July looking for tracks. Eggs are collected and taken to a hatching barn in Corpus to help turtle mortality rates. So far, there have been more than 150 nests found (not by us though) and lots of "stranded" turtles have been found (alive & dead). If you are on the beach this summer, be sure to take all trash and "beach" items home. Even the broken stuff. Sea life cant tell the difference between food and plastic. And they get tangles in chairs, sand toys, etc. Keep it clean! If you spot a turtle, don't touch it! Call 1-866-TURTLE5. A trained team will come collect the eggs and monitor the turtle momma. Thanks!

Note: The Kemp's Ridley Turtle (baby pictured above) is the Texas State turtle!

New Life Lutheran's Number

New Life received a check for \$38.72 on 10/23/2018.

Thank you to all who have used the New Life
Number!

The old number is still associated with us but cannot be
used when enrolling or accessing our account anymore.

GLOW is caring for New Life Members.

GLOW - God's Love, Our Work.

If you would like to join the GLOW care team or are in need of a care ministry, please contact the church office at 281-485-1818 or GLOW@newlifelutheran.com or write your need on your yellow "Count-Me-In" card from your bulletin.

The GLOW team meets on the second Thursday of the month at 7:00pm in the Fellowship Hall. GLOW welcomes new care ministers! The team sends cards, makes phone calls, provides communion, and sets up meal schedules for those in need.

Thank you to all who served coffee and juice (and more) and/or cleaned up during Fellowship Hour!

Coffee Hour at New Life Lutheran is a wonderful opportunity for visitors and members of our church to meet one another in an informal setting between Sunday services.

If you enjoy having breakfast and fellowship, please consider pairing up with other members to host a week to serve in this important ministry. On past Sundays where there was no sponsor, therefore no food, several people were surprised and complained. As the church cannot fund breakfast, if no one brings food, there is none to serve. If you and/or your family expect something more than coffee—bring something.

Note that MOST 1st and 2nd Sundays of the month NEED Sponsors.

Contact Tiffany Brown-Pineda at CommunityLife@newlifelutheran.com or the church office (281-485-1818) or to sign up!

PRAYER CORNER

HOW TO PRAY For Kids

- Question:** What can I pray about?
Answer: ANYTHING! God wants you to talk to Him about everything in your life. Nothing is too big or too small to talk to God about.
- Question:** When and where should I pray?
Answer: ANYTIME and ANYWHERE! It doesn't matter where you are; you can always talk to God. He is always with you.
- Question:** How long should my prayer last?
Answer: You can pray for one second or for hours. God is always listening! He loves for you to talk to Him.
- Question:** Can I pray with my friends?
Answer: ABSOLUTELY! Praying with your friends will make your faith and your friendships stronger.
- Question:** Should I always fold my hands?
Answer: Folding your hands and closing your eyes may help you to concentrate on your prayer, but you don't have to. You can talk to God while riding your bike or just sitting quietly.
- Question:** Should I pray out loud?
Answer: God hears you whether you pray out loud or silently. Sometimes praying out loud helps you to stay focused on your prayer. Praying silently can be done wherever you are. God hears your prayers no matter how you say them!

You may wish to cut out this section and place it where you will see it and remember to pray.

These petitions are offered as guides to prayer for the global, social and outreach ministries of the church. Thank you for your continued prayers for the life and mission of this church.

Daily Prayer

1 Give praise and glory to God for the wonders of nature, the diversity and interrelatedness of creation and the intriguing mysteries of the universe that humble and inspire us.

2 Through accompaniment, advocacy and awareness-raising, the Peace Not Walls campaign connects ELCA members to our companions in the Holy Land and promotes dignity, full respect for human rights and reconciliation between Palestinians and Israelis.

Pray that our advocacy, new relationships and work together will lead to healing and enduring peace.

3 Thank God for the work and bravery of firefighters and fire crews who protect life, communities and creation, especially during the lengthening fire seasons in some regions of our nation. Pray for their safety and their physical and spiritual renewal, and for the care, support and reassurance their families need when these first responders are called away to serve.

4 Independence Day As we celebrate the gift of freedom, pray for those in our communities, our nation and our world who still experience oppression, persecution or inequality. Ask for God's forgiveness for the ways in which we deliberately or unconsciously exert or support control over others for our own benefit or advantage; pray that we might exercise our freedom responsibly and compassionately for the well-being of all people.

5 Today marks the centennial of the first documented Lutheran camp in the United States, a summer camp in Pennsylvania that involved youth in healthful outdoor activities and equipped them for leadership in the church. Praise God for the rich history of our camps and for all the ways Lutheran outdoor ministries have grown to serve people of all ages, abilities and backgrounds, impacting congregational life and mission, nurturing leaders and sharing the gospel in a changing world.

6 Cyclones Idai and Kenneth hit Mozambique this past spring, affecting 2 million people, killing over 750 and leaving devastation. Pray for the people affected, their recovery and the relief effort being conducted by Lutheran Disaster Response in partnership with the Lutheran World Federation, the Evangelical Lutheran Church in Mozambique and ACT Alliance.

7 Pray that together we might respond with enthusiasm as God sends us into communities and the wider world to care for the needs of our neighbor and share the good news of Jesus Christ. Ask that the Spirit sustain and encourage us no matter how we are received or how difficult the work may be.

8 Remember in prayer the work of leaders, volunteers and planning teams preparing for the 2021 ELCA Youth Gathering, a meeting of youth and their adult leaders for learning, worship, Bible study, service and fellowship through which young people grow in faith and are challenged and inspired to live out that faith in daily life.

9 Pray for our church to be determined and tireless in advocating for common-sense gun laws and actions that will help prevent gun violence. Pray that our communities of faith might remember those who have lost their lives to gun violence, attend to grieving families and friends, and bring hope and healing to survivors experiencing fear, anger, anxiety, depression and other lingering symptoms of trauma.

10 Augusta Victoria Hospital in Jerusalem is owned and operated by the Lutheran World Federation and supported by the ELCA. Pray for our federal government to release the funding approved for Augusta Victoria Hospital and the other members of the East Jerusalem Hospital Network so they can continue their lifesaving health care ministries in the Holy Land.

11 Praise God, make a joyful noise, sing the glory of God's name and "say to God, 'How awesome are your deeds!'"

12 Remember in prayer the work of the Rev. Janelle Neubauer, YAGM country coordinator, and the seven young people serving in the ELCA Young Adults in Global Mission program with the Lutheran Church of Rwanda in the areas of parish ministry, vocational training for youth, women's ministry, education and community organizing.

13 Pray that the Spirit will guide us — especially the "family of faith" — in how best to support, encourage and care for one another, that we will be faithful servants and witnesses in the world and "not grow weary in doing what is right."

14 Ask the Holy Spirit to help us understand the meaning and relevance of Jesus' parables. Pray that we hear and put into action Jesus' urging for us to care for our neighbor, especially those who suffer in poverty, hunger and illness, and strangers who are unfamiliar or different from us.

15 Remember in prayer our newly elected synod bishops, that they will be inspired, equipped and sustained in faith and wisdom for serving the church and its leaders in an ever-changing world.

- 16** Amid the temptations, distractions and pressures of daily life, ask God to teach us the ways, paths and truths that are pleasing to God, and to guide us to be mindful of our neighbor's well-being and wholeness.
- 17** Pray for neighboring congregations and churches, that we, united in the one body of Christ, will strengthen and encourage one another for growing the church and, with the help of the Spirit, cultivate love, mercy, justice, hope and peace in the world.
- 18** Remember in prayer the six young people working alongside our companions in Cambodia as part of the ELCA Young Adults in Global Mission program. Remember also Stephanie Olson, YAGM country coordinator, and the Rev. Phillip Baker, ELCA regional representative for Cambodia, as they work with our global companions to grow the emerging Lutheran Church in Cambodia and prepare pastors, economic development, health care and disaster response.
- 19** Give thanks for leaders, teachers and other brothers and sisters in Christ who help us better understand God's will, guide us in studying Scripture, strengthen our faith and wisdom, and encourage us to bear joyful witness to God's love and mercy.
- 20** Pray for empathy, compassion and wisdom in our conversations and actions addressing gun violence, recognizing that no act of violence occurs in a vacuum and that a variety of social factors and human contexts — including mental illness, poverty, substance abuse, hatred and despair — influence the committing of violent acts.
- 21** Amid daily busyness and work, pause to pray and recall all that God has done and is doing for the sake of all humanity, and listen for what God is asking us to be and do in the world.
- 22** *Mary Magdalene, Apostle* Pray that we might emulate Mary Magdalene, a disciple of Jesus who witnessed the empty tomb and followed an angel's instructions to go and tell others of Jesus' resurrection. Ask God to stir our faith, courage and willingness to share the life-changing news of a risen Christ with everyone we encounter.
- 23** Ask the Spirit to revitalize, embolden and guide synods, their congregations and their leaders as they live into and implement decisions and actions resulting from their synod assemblies.
- 24** God can do amazing and miraculous things, such as fulfilling a promise to Abraham and Sarah that they would bear a child in their old age. Praise God's creative, boundless power and ask that we might be alert and open to how God stretches our faith, imagination and understanding of what's possible.
- 25** Give thanks for the work of ELCA Racial Justice Ministries in proclaiming our belief that Christ's church is for all people, and for helping the church confront racism, exclusion and violence and move toward fairness and justice in the church and society.
- 26** Remember in prayer the 10 young people working alongside our companions in Mexico as part of the ELCA Young Adults in Global Mission program. Remember also the Rev. Meghan Brown Saavedra, YAGM country coordinator, and the Rev. David and Alicia Brondos, ELCA missionaries teaching at the Seminario Luterano Augsburguro in Mexico City.
- 27** Pray for those involved in planning and preparing the 2019 ELCA Churchwide Assembly in Milwaukee, and for congregations, synods, voting members and leaders who will share their faith, wisdom, concerns and recommendations for strengthening and furthering our participation in God's reconciling work in the world.
- 28** Give thanks that God is attentive and responsive to us. Pray that we will never be timid about bringing to God our every matter, need, hope, question, sorrow and joy.
- 29** Pray that we will be moved by God's love and impartiality to extend hospitality and acceptance to our neighbor, especially those who are in need, are strangers to us or are disregarded by society.
- 30** Give thanks for the fullness of life we have in Christ through faith, and that the light and truth of the gospel and God's grace dwelling within us will transform us so we can convey hope to the world and love and serve our neighbor.
- 31** *United Nations World Day Against Trafficking in Persons* Human trafficking for forced labor and sexual exploitation is a global issue affecting every nation. Women and girls account for almost three-quarters of all trafficking victims. Pray that the ELCA, our congregations and communities continue to work to end human trafficking, care for survivors and address root causes of trafficking, such as poverty, hunger and sexism.
