## PASTOR'S PONDERINGS...

...for people like us...

... in times like this...

### “THE CHURCH IN DIASPORA!”

Dear friends & followers @ New Life,

Diaspora (*pronounced* DEE-ASP-OR-UH). Now there's a word you don't hear every day! In fact, it's sort of an oxymoron because the term 'diaspora' means 'to be dispersed' as is usually connected to the stories of the Old Testament when the Israelites were conquered and taken into captivity in a foreign land. They weren't where they were supposed to be. They had been dispersed from the 'promised land' and could hardly wait to get back home. God seemed to be behind all this and had a plan for Israel's repentance and taking a big step in re-rooting their faithfulness as deep as one's roots can go. Some folks say the Hebrew people are still in diaspora as there are faithful Jews all over the world and ironically there are more Jews living in New York City than there are in current day Israel.

Sound familiar? A little. We may be experiencing a different kind of dispersion. Rather than being led off to a foreign land by a victorious villain right, we have been sequestered to our homes by a virus we cannot see. Strange indeed. The church is always the Body of Christ to be sent out into the world with a message that is global and never a movement to be shut out from meeting together in assembly. Like our Jewish friends, rather than being a people scattered, assaulted, and embedded within other nations we are a people now placed into solitude with only a means of ZOOM meetings or facetime or Facebook Live as a way of being together. This won't last... but it will last a while and we need to take comfort in Jesus' words that where two or more are gathered in his name, he is in our midst.

So, this is an odd post attached to an odd word. It's the '*whirled*' we have now. We are dispersed but we still are the church! I miss you. I miss being together week to week and day to day... and getting more accomplished as a body than any of us can do on our own. How are you? Never before have we lived like this and never before have we had conversations like this... to stay 6 feet apart or more and washing our hands after we touch something. I don't even know who will be reading these words. Maybe more than last Christmas. Maybe less. Only God knows and so we trust that God knows we will get through this. The church isn't going away. WE are the church and we will just be stronger and better at being the church in this time and place. After all, this is 'our watch' and God's Spirit is calling each and everyone of us to a faithfulness than perhaps none of us have ever known.

Why? WE are ROOTED in the Word of God! Why? WE are REFRESHED in the Spirit as we continue to pray and read and talk our faith together so that we are better at REACHING into the neighborhood and the world... which is something NEW LIFE Church does pretty well. We're a bit dispersed for now, but our return to gathering face to face will come like Easter... with enough joy for each and every one of us! There really is no such thing as "the Church in diaspora" The Church is where WE ARE... in this corner of God's Kingdom attending to the work we need to do.

New Life; *now!*

# LIVES REAMED SUNDAY SERVICES

Hats off to New Life's technology team for live streaming and sound management for our Sunday worship format!

**Noah Chicoria** attends Turner College & Career HS where he has obtained his Adobe certification and was on track for his A+ certification until the Corona Virus shutdowns. He has enjoyed all things computers since the 5th grade and plans to study Computer Science but has not yet committed to any of the schools where he was admitted (side note not for publishing: please pray for him to make the best decision for his future and not out of his present anxiety). Noah has also been an Alvin Community College dual-credit student and Saturday 5/9 would have been his graduation (Associate's Degree). We are especially proud that in order to achieve this, he willingly chose to take summer school classes each year.

Noah's been a percussionist in the Pearland HS Band. He began as a member of the front ensemble, playing the vibraphone his freshman and sophomore years for the marching shows and the indoor drumline shows, and he then moved into the drumline for his junior and senior years playing Bass 1 (the smallest but most difficult). While we were sad they halted the indoor drumline program, we were beyond thrilled to see him march in the Rose Parade on New Year's Day this year.

In his limited free time, Noah has enjoyed working out at the Pearland Rec Center and spending time with his core group of friends, "The Boys."

**John Russell Gestl**

**Kip Lawrence Olson**

He is a member of Phi Theta Kappa (ACC Honor Society)  
 4 year member of the Pearland High School Band  
 He will be attending Lamar University in Beaumont where he has been accepted into the honors collage and will major in Computer Game Development. He also plans to be a part of the Lamar University marching band.

**Michael-Thomas Roth Scott**

Member of the Pearland High School graduating class of 2020, has had high school pursuits that include singing in choirs (esp acapella groups), Lutheran Youth Org, Keep Pearland Beautiful, Save Our Beaches, and Game Character Design. Michael is a Choir Scholar at First Lutheran Church, played lead role Billy Crocker in Anything Goes, awarded First Chair Tenor II, District Choir, First Chair Tenor II, Regional Choir, and Third Chair Tenor II, All-State Mixed Choir. Outside of school, he has sung with HBC Olde Boys Acapella Stavanger Ten (Norway Tour), HBC Alaska & South Africa Tours, the Houston Lutheran Chorale (including Bass Soloist, Messiah Part 1), and participated as a youth ensemble singer with Mercury Baroque Orchestra, Bach Society Houston, & Houston Symphony. He loves Singing, Hiking, Traveling, Camping, Meetups with friends, Character Design, Co-op games, and D&D. After graduation, Michael plans to take time and figure out his path. In his future...anything goes!

## Youth & Family

Hello, New Life Church family,

I have actually been acutely aware of the coronavirus since January. While I knew that it was coming to America, I truly never knew how historical and life-changing it would be. My children may remember this for the rest of their lives. I know I will. In every way that you have been and continue to be a good parent, thank you so much for loving your kids as God intended. Please continue to be safe, healthy and socially distant as much as possible.

As I wrote last month, I reiterate:

Please wash your hands longer than usual.

Please do not make unnecessary trips whenever possible.

Please be mindful of this.

\*\*\* It could literally save your life and that of others.

Day Camp has been rescheduled to the end of July 27-31: <https://form.jotform.com/90496337109159>.

On the horizon are still the following dates:

Lutherhill summer camp reminder: July 5-10. Please let me know when you have registered. Make sure you use our church code (newlifelutheran). Please note that parents are now paying 50% of the cost for Lutherhill events per church council budget changes based on my recommendation.

July target date: Summer Service Trip at lakehouse; this may be cancelled.

Regarding the topic of your generosity, thank you so much regarding the church budget. Those who are able to attend the ELCA Youth Gathering in 2021 in Minneapolis please start saving a \$1 a day so that you will be ready for registration fees, transportation and food costs. I anticipate that parents will need to budget around \$1500 according to their website: <https://www.elca.org/YouthGathering>.

In whatever way that you have been able to worship as a family or do Faith5 or engage in any kind of family worship, please continue to keep up the good work. I realize that this is challenging and difficult, of course. Brazen it through!

Parents, as always, you can do the following:

- 1) Read the Bible or do devotions together at least 2X a week,
- 2) pray together at every opportunity and
- 3) come to worship on a weekly basis. (via Facebook for now)

Sincerely, *Sang Kim*

Director for Youth and Family Faith Formation

Proceeds go to purchase batting and thread for these amazing Lutheran World Relief quilts. Usually more than 200 quilts would be displayed on Palm Sunday and be for sale. This year the ingathering was postponed so we will postpone the display and blessing of the quilts to sometime in early Summer or Fall. After the quilts are blessed and purchases are made, any remaining quilts will be sent with school kits, personal care kits and fabric kits to the LWR ingathering.

New Life appreciates all work done to the Glory of God! Let us know if we missed thanking someone.

MOW will be delivering the week of May 4-8. Routes aren't scheduled as of the time of this article. However, due to COVID 19, the delivery routes will look different and the procedures will be different. Those in charge of MOW are doing everything they can to keep the clients and the drivers safe and healthy! Please continue to PRAY for those receiving meals and those who are delivering meals. 2020

I am writing this on April 22, Earth Day. Big celebrations were planned worldwide for the 50th anniversary. Then came this terrible Covid 19 pandemic. The reality of illness, contagion, death, isolation, economic disaster, hunger, and despair strikes hard. All events and public gatherings are cancelled as the world fights back to overcome this disaster. One silver lining on this dark cloud is the way people are responding to come to the aid of those in need: taking personal risks to minister to the sick, feeding the hungry, making masks, checking on the homebound, finding virtual ways to continue working, worshipping, and communicating. Another silver lining is that many families are spending more time together, sharing responsibilities, finding creative ways to entertain and learn. Someday, the worst will be over. Things may not be the same, but then they rarely are. We'll adapt because God is with us. That never changes. He is with us in all our sorrow, pain, and despair. The folks on TV keep telling us that we are not alone, but we already knew it.

Actually, the earth is celebrating. All this lack of human activity has resulted in cleaner air and water. What will happen when we get going again? Have we learned anything? I'm concentrating on the first and most important of the 4 R's, REDUCE. On this Earth Day I pledge to find ways to reduce litter, waste, and my carbon footprint in my life habits. God's blessings are too precious to take for granted.

**Turtle Patrol was supposed to start on April 1st, but has been postponed until May 1st for Galveston and the Upper Texas Coast.**

We are hoping that we will be able to actually start patrolling, because you know those turtles are still going to want to lay their eggs—whether we are there to find and protect them or not. Once we are allowed, Karen, MaryAnn and Terri will be down there on Friday mornings at 7am to walk their route from 61st street to the Pleasure Pier and back. Please keep your prayers coming for them as the trek is not kind and people leave all sorts of trash that “someone” ends up picking up. Patrols will continue to July 15th. If you travel to the beach, please take EVERYTHING home with you that you brought. Trash left ends up in the water and back on the beach if a sea animal hasn't tried to eat it. Thanks!

All items still needed.**

New Life continues food collection for CHH every Sunday

**324 pounds** of food was collected on Easter Sunday! Judy delivered it on the following Wednesday.

Thank you for all who donated and thank you to Walt, Karen and Judy for loading it all into Judy's car.

In March New Life sent more than **\$600** in checks and cash to help purchase needed items.

CHH has reported that they usually serve 20-25 families a day and now they are serving 45-50 families a day.

Karen delivered all the egg cartons that Sunday's Cool was collecting to CHH on Saturday, April 18th. Please continue to save egg cartons and place them in the grocery cart with your donations. They can use all sizes as they get eggs 15 dozen at a time and have to repackage them for distribution. See page 19 for needed items.

# Christian Helping Hands

On Easter Sunday, New Life collected 324 pounds of food for Christian Helping Hands. 126 pounds was given from collections on Sunday of April 19th! In addition, more than \$600 in cash and checks were given in March to help supplement purchases.

Sunday food drives will continue for the foreseeable future as CHH feeds more than double the amount of families than in normal times.

**THANK YOU:** To Judy Foucheaux for delivering collected food, to Karen Cheney for bringing all New Life's collected egg cartons to CHH (they were totally out) and a big thank you to Susie Wellman for her volunteering at CHH as a traffic director, parking lot attendant and translator. She has volunteered several days working outside being a great help to the director Suzi Burns. Way to be part of community!

CHH needs egg cartons too!

Many workers at Christian Helping Hands are older and can no longer help out due to health concerns. If you are able to help them sort, unload and/or distribute food, please contact them at (281) 485-9776.

**Thank you for your continuous donations!**  
**Families served has increased by more than 100%**

**Christian Helping Hands is in need of many things all year around**

Please consider donating the following items EVERY month:

Soup (Ready to eat – like Chunky Soup)

Cooking Oil/spray

Tomato products (diced, sauce, paste, spaghetti sauce, etc.)

Cream soups

Packets of tuna (not just cans)

Macaroni & Cheese (boxes & cups - Kraft is preferred by most visitors)

Single serve meals (canned and packets)

(Tuna salad & crackers, spaghetti-o's, ravioli, shelf tv dinners, etc)

Canned beans (ranch style, kidney, pinto, refried, etc.)

Shampoo (& Conditioner)

Checks can be mailed to: 3402 Swensen Rd, Pearland, TX 77581

Property Maintenance

# Lots of things going on behind the scenes...

Chess/Checker Board

Thank you to the New Life Property team for all their efforts to keep up with ongoing maintenance including:

Walt Wright, Rudy Moreno, Ronnie Stavinoha, Rich Newell, Charlie Gaevert, Foster Foucheaux, Richard Lowery, Will Sinacori, Karen Sweet Cheney, Cheryl Robinson and many more are working the property to keep it safe and running smoothly. If you see one of these guys, please give them a wink and a nod and let them know they are appreciated! See the thank you page for individual job thanks.

Property updates, cleaning, and replacements are being done continuously. If you see something that needs to be addressed or you have a talent you are willing to share, and time to share it, please let Charlie Gaevert, Rudy Moreno or Karen Sweet-Cheney know. (Even if you only have 15 minutes on a Sunday to help with something you would like to share!) Suggestions are welcome as well. Text to Karen @ 972-841-2600.

**Lawn Service**

Thank you to all those who provide special offerings to help with Lawn Care. There is a new signup sheet in the Narthex to help offset the shortage New Life is currently incurring. Lawn Care is \$380 per month for the front of the property. The ball teams who use the back field are under contract to keep the field mowed.

Family Cross Wall Continues to Grow

## New Life Needs:

We are always in need of air filters to make all the units run optimally. They are changed every other month.

Please consider donating:

Air Filters: 20x18x1 (1) & 20x20x1 (10 every other month)

Light Bulbs: T-12 and T-8 Fluorescent Tubes (we are now ONLY using LED and we are OUT)

(WalMart has LED tubes that can be used as T8 OR T12 - Box of 10 for \$42.88)

Other consistent needs: Bottled water is used year round (all sizes), Coffee (regular and decaf), little creamers (mini moos, Hazelnut & French vanilla), Z fold paper towels & 2 ply toilet paper (Charmin ultra plus). We purchase some of these items when there are events using Thrivent cards, but if you are at Sam's and can pick an item up it would be appreciated! (let the office know)

## PRAYER CORNER

You may wish to cut out this section and place it where you will see it and remember to pray.

*These petitions are offered as guides to prayer for the global, social and outreach ministries of the church. Thank you for your continued prayers for the life and mission of this church.*

**1** Remember in prayer the leaders, voting members and others of the Rocky Mountain Synod gathering online for a **digital synod assembly**. Pray that the Spirit will strengthen, guide and encourage them in proclaiming the gospel, growing the church, serving our neighbor and doing God's work in an ever-changing world.

**2** There are more than 100 Asian congregations and ministries in the ELCA. We remember in our prayers these congregations, ELCA Asian and Pacific Islander Ministries and the Association of Asian and Pacific Islanders, and ask

God to bless their work with distinct, unique groups and communities as part of a common yet diverse Asian community.

**3** Jesus is our Savior, guide and shepherd, whom we have faith in and trust with leading us through life in this world and to a new life — life eternal — that we could not have imagined or created on our own. Praise God!

**4** Give thanks for the service and witness of U.S.-based mission personnel and of young adults serving in the Young Adults in Global Mission program, who have been brought home from their work with global companions due to the COVID-19 pandemic. Pray for their physical and spiritual health and that they will continue to respond to God's call to serve in our church, our congregations, related organizations and society.

**5** Ask God to help us have faith in how God leads, comforts, protects, nourishes and loves us all the days of our life.

**6** Pray that we will be guided by the spirit, manner and example of Jesus to be humble and gracious in our faith, service and daily lives.

**7** Ask God to help us endure the risks and difficulties of sharing the good news of Jesus Christ, doing good, working for justice and serving our neighbors in need.

**8** Give thanks for the work of the ELCA Domestic Mission unit, directors for evangelical mission, synod staff, coaches and consultants, and other partners assisting congregations as they renew themselves as communities of faith engaged in God's mission — locally and globally.

**9** Pray that children and youth who suffer domestic abuse will experience the physical, emotional and spiritual care of concerned, skilled adults who intervene in their situations and help provide the safety, healing and trustworthy love for which they yearn.

**10** Remembering Jesus' words to Thomas — "I am the way, and the truth, and the life" — we pray that they will empower us to embrace Jesus as the son of God and our salvation, and fill our lives with confidence to perform works of love, mercy, justice, truth and kindness.

**11** Pray for our outdoor ministries and their year-round and summer staff, who are working to adapt their ministries, programs and ways of serving congregations and communities during these times of COVID-19.

**12** Pause throughout the day and give thanks for the simple things of creation that enrich your life and faith and fill you with joy and wonder.

**13** Give thanks that God knows us intimately and listens to our prayers, and that God is our rock, refuge and source of steadfast love in all circumstances and in all places.

**14** Pray for students of all ages as they participate in online classes, wonder about their school year, prepare for finals and graduations, and long for their normal social interactions and school activities.

**15** Pray for synod leaders who are discerning new plans, formats and dates for their assemblies with concern for the health and well-being of leaders, voting members and others; pray the Spirit will guide their plans and strengthen their unwavering work of proclaiming the gospel, growing the church, serving our neighbor and doing God's work in the world.

**16** Give thanks and praise to God that our church and lives are built on the solid, enduring foundation of Christ; pray that we, as siblings in Christ, will be bold and welcoming in our invitation to our neighbors to believe, have faith and experience the blessings of community with us.

**17** The love of God and the Spirit of truth dwell within us and prevail in our daily lives. Pray that with this knowledge and inspiration, we will feel encouraged to follow the commandments and ways of God and to exemplify love, truth, mercy and service in the world.

**18** Thank God for our special relationship with the Reformed Church in America, a full communion partner with the ELCA since 1997; pray for the church, its diverse ministries and its members and leaders; and pray that together we will find mutual support, new partnerships and new resources for the work of sharing the gospel and serving our neighbor.

**19** Pray that our baptism into the life, death and resurrection of Jesus Christ will banish our fears of doing God's work in the world and will prepare us daily for sharing the gospel and serving our neighbor with gentleness and reverence.

**20** Give thanks for parents, aunts, uncles and grandparents whose example and convictions teach children and youth the values of compassion, generosity and respect for one another.

**21** *Ascension of Our Lord* While we look forward to everlasting life and being with Jesus in heaven, pray that we will live with confidence and joy in the promise of salvation and the presence of the Spirit, which sustains and equips us for the work we are called to today as people of the good news.

**22** Remember in prayer our ELCA missionaries, global companions and international leaders. Pray for their health and well-being as well as their continuing witness and service in the world even though some of our work together may have been temporarily suspended.

**23** Think about the blessings, wisdom, revelations and gifts you have received by God's grace through faith in Jesus Christ; give thanks for each one.

**24** Give thanks, praise and glory to God for restoring our relationship with our Creator and unifying us — beloved children of God — through the love and sacrifice of Jesus.

**25** *Memorial Day* Today we remember, mourn and give thanks for the military men and women who have given their lives in pursuit of justice, peace and freedom for our country and all nations.

**26** Pray that the Spirit of God working in us will help us value every generation for its faith, wisdom, gifts and diverse life experiences, and that we will not disparage or discount one another because of age, mistakes or differences of perspective but instead will give thanks and affirm and support one another as members of the body of Christ, which includes all generations.

**27** Pray that we will be mindful and responsive to those who have become more lonely, isolated or distant over the past weeks and months, and that they will feel more connected and comforted as we reach out to one another and discover new ways of being in community and relationship with each other.

**28** Give thanks for the commitment, creativity and compassion of teachers, teacher assistants, professors, educators and school staff who, facing difficult and uncertain situations, have persisted in attending to the educational and personal needs of their students — our children, youth and young adults.

**29** Pray for congregations, Christian education leaders, youth and family ministry leaders, and volunteers preparing for summer programs, that they will deepen and stir the faith of members and reach into neighborhoods and surrounding communities with the gospel and an active spirit of hospitality and service.

**30** Pray that our church's endeavors to foster understanding and unity between Lutherans, other Christian denominations and other faiths will yield abundant fruit for the glory of God and for healing our rifts and our brokenness.

**31** *Day of Pentecost* Lift up prayers of joy and thanksgiving for how we are united in one Spirit yet manifest diverse gifts, abilities and wisdom for sharing the gospel, building up the body of Christ and serving our neighbor.
