Pastor's Pen:

Pentecost Birth: New Life in the Spirit!

A mother brings a new life into this world. We say that she “gave birth”. The new baby is small and vulnerable. Now, however, a new kind of life is possible. “Birth” is what we say Luke described on the Day of Pentecost (Acts 2). The “church” --a people formed by God’s grace in Jesus--was born. Disciples had gathered and were waiting as Jesus had commanded them. They received God’s Holy Spirit as promised and were empowered with a new kind of life.

May 23 was Pentecost Sunday. May 30 was Trinity Sunday. Now we are in the Pentecost “season”: a half-year in which focus shifts from the life of Jesus to the life and growth of God’s people. Gospel readings for Sundays after Pentecost lead us into teachings of Jesus and the early church, and how they apply in real life. The Pentecost Scriptures help us to respond to questions like, “What does the life, death, and resurrection of Jesus mean for us?” “What does it mean to be a part of the Body of Christ?” and “What does it mean to me to be Jesus’ disciple?”

In New Testament Greek, “*ekklesia*”, the word for “church”, means “*called out*”. It was used to help Christians to understand that they are a people whom God “called out” from the world to empower them to live as God’s people in a world where evil is common. We sometimes call our gathering for worship “church”--we are “called out” from daily life in the world to gather and take in God’s word of grace in Jesus Christ. By grace, God’s Spirit “calls, gathers, and enlightens” us, giving us birth with empowerment and new life not otherwise possible.

The church is not as much a “place” as it is a **PEOPLE... God’s people**, called by a grace and a Baptism in which is God’s power to save, heal, forgive, enlighten, and bless. You have a place in worship, to be empowered and enlivened, and then sent out to live in this world to witness the grace of God. A blessed Pentecost Season to you!

See you in worship,
Pastor Bill

Dear Church Family,

The Church Council held a special meeting May 24 to review our COVID-19 protocols, in light of the recent CDC changes. After much discussion, we decided on the following guidelines:

- * Masks will be optional and not required for worship services, Sunday School, or any group meetings or events held in the church buildings or on the grounds
- * Sanitization after services and other building use will be required
- * Hand sanitizer will be available and encouraged
- * Seating will continue on every other row in the sanctuary
- * Communion will continue with individual single-serve elements
- * Services will continue to be live-streamed on Facebook

As you may recall, we already eliminated RSVP's for attending worship or events.

We will also be bringing back lay readers and greeters for each Sunday service. If you are able to serve, please let Tiffany Pineda know. We need you!

We are continuing cleanup throughout and around the church. A big THANK YOU to everyone who helped out on Saturday, May 22. You all worked hard both inside the church, in the sheds, and on the grounds! You are sincerely appreciated!

As always, thank you for the faithful giving of your tithes and offerings. As summer begins and the kids are out of school, and you go on your vacations, please remember that the church expenses don't stop and that your continued financial support is needed.

Peace to you all,

Mina Stagner

New Life says Goodbye to Sang Kim

New Life thanks Pastor Sang Kim for five years of faithful ministry and the sacrifices he made with the church in mind. We will miss your smile and laugh and the many

ways you connected to our youth. Best Wishes at the pumpkin church! We hope you are able to visit us soon.

Everyone

Call Committee Update,

We are continuing to meet weekly to work on the ministry site profile, which is essentially a detailed job posting. We made quick progress through the first part of the profile and now we've started the work on the meat of the profile. We've decided as a group that we would like congregational input on our vision and goals for our future. While we are a cross-section of the congregation as a whole, we realize that everyone holds unique perspectives, needs, and desires and we may not fully represent those. At our next meeting we will be working to put together a survey to send out to the congregation. We ask that you be thinking and praying about things that you would like us to know. Stay tuned as we will send out more information. Again, in the meantime, if you have questions or concerns please feel to reach out to any of us on the call committee: Susie Wellman, Bubba Flowers, Peter Weber, Helen Beckman, Jill Olson, and Abby Roszak.

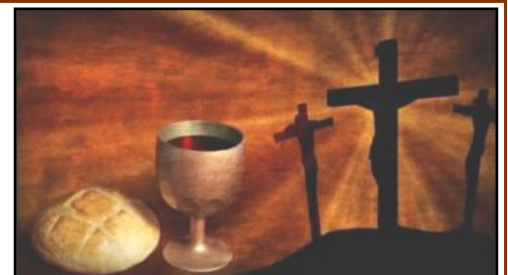

I hope you're well!
Abby Roszak

New Life appreciates all work done to the Glory of God! Let us know if we missed thanking someone.

Seniors will meet Wednesday, June 2, at noon for covered dish lunch and White Elephant Bingo

to follow. We have prizes, but anyone who has something at home you no longer want or need, you can bring it here to give someone else. Any prizes not chosen should be taken home by the owner afterwards. For the health of all, since we're sharing food and social distancing will be difficult, we know we cant require it, but prefer that all participants be vaccinated.

A huge THANK YOU goes to Carole & Walt Wright, Joann & Dennis Morrison, Lynn Cope, Terri Kiser, Helen Beckman, Mary Anna Vance, Barbara & Matt Scott, Tamsey Mims, Cheryl Robinson, Carol Jackman, Becky Homerstad, Susan Siegworth, Nancy & Roland Bryars and Barbara & Bubba Flowers.

MOW will be delivering on **June 7-11**. Routes aren't scheduled as of the time of this article. However, we are still being careful with our clients and our drivers. COVID 19 has caused us to make changes to our delivery policies but it has not shut us down! Please continue to PRAY for those receiving meals and those who are delivering meals. There are 8 different churches involved in this ministry and they all need our prayers every day and every week.

Mark your calendars: DATES FOR 2021

Shoe Drive continues through June 30 at the Stella Roberts Recycling Center, 5800 Magnolia Parkway. Drop off pairs of new or clean, wearable, gently worn used shoes.

I can walk around my house at night without turning on lights if I have my drapes open, because of all the lights outside in addition to the little red lights on electronic devices that make excellent reference points. I don't keep outside lights on. I turn them on when I'm going outside or I'm expecting someone. My neighbors, however, have door lights, flood lights, and driveway and garage lights, besides the street lights on every corner. Then there's the glow on the horizon from a nearby shopping center. While believing we're safer by turning night into day, we are probably doing more harm. According to the International Dark Sky Association, data does not support the belief that light prevents home invasion and burglary. In fact, improper lighting can assist a burglar. Someone operating in the shadows but with the assistance of outdoor lighting is not as obvious as someone skulking around with a flashlight.

The circadian rhythm in all animals predisposes us to best practices for daylight and nighttime. One of the reasons cited for insomnia is late exposure to white light or sunlight. Most of us now have energy saving long lasting LED bulbs in our lighting. I know I prefer the blue white light, but the yellow is really better for your eyes and should be used outside and in ambient indoor lighting and white light for reading lamps. White light is also what you see on computer and TV screens, which is why one should limit one's screen time.

The yellow street lights are actually sodium lights and easier on the eyes of drivers. The best street lighting also focuses the light downward and does not allow light beams to escape to outer space. Planetary light pollution and lights out for migration is a topic for another time.

Let your God given light shine all over this land, but be careful how you use your electric lights.

Helen Beckman

Turtle Patrolling

Turtle Patrolling continues, rain or shine until July 15th. Karen, Terri & MaryAnn patrol every Friday, starting at sunrise. Great picture opportunities! More than 70 nests have been found on Texas Coast beaches so far this season. Hopefully this will be the year WE find one—It IS our turn... So we will continue looking for turtles and tracks so we can help Turtle decrease mortality rates for these endangered animals.

Remember: If you go to the beach or any waterway, please be sure to pack out everything you bring - umbrellas, chairs, toys, water bottles, etc. - even if it is broken, take it home to throw away. All plastic breaks down and looks like food to sea life. Chomping on straws and sand pails isn't very tasty. Stay tuned for updates!

Weeding around the Sign

On Saturday, May 22nd a large crew (many more than pictured) met to work on various projects around the Church. The men took down the swingset and tire swings and patched the Hey! Wagon. (it will be refurbished later) They also removed debris around the sheds and earlier in the week, old couches were removed from the High-School room. For several weeks the ladies have been cleaning and organizing all over campus. They almost completed the project Saturday when they cleaned out the cabinets in the Fellowship Hall kitchen. The crew has been weeding thru décor also and has the small shed out back organized by season! Sunday School teachers and others cleaned out the Sunday School rooms to get them ready for carpet cleaning and next years classes. The Castillo's came up after another neighborhood cleanup and helped get the flowerbed around the front sign weeded and ready for new plants. Lots more to come... Many hands and hours went into the progress you can see all over - Thank you to everyone for your continued help!

There are Sunday School classes for everyone (youth & adults).
