Joint Meeting of the Finance and Building and History Committees September 18, 2019 at the Downtown Presbyterian Church

- I. Building and History
 - a. The Flower Room:...is now empty. The Gift Shoppe stuff is now moved to another safe location.
 - b. The Air Handler: ...is now fixed from the Lee Company. Mike K. is talking to Trane to see if we can replace the other side. They are also the most responsive in talking about taking the entire system conversion from pneumatic to digital. A lot of our equipment is Trane and should be cheaper than Lee Company (because they mark up the equipment).
 - c. The Wall Under the Staircase: ...quotes are coming in to repair that accidental modernist art piece. This will apply to the wall in the kitchen that needs some work as well.
 - d. The Empty Parking Lot: ...well, it's supposed to be empty by September 27.
 - e. The Bathrooms: ...the final plans are coming soon (like next week). And we'll have soon be able to have a cost plan for that. So that means that we'll need to have our own personal dumpster to remove debris (from even the 4th floor). Should we start in October or wait until January 1st? This will come to the Session.
 - f. The Light (of the Lord['s Church]): ...and Phase One is complete. Now, with dimmers! This is mainly the first floor. Phase Two for the second floor will begin soon.
 - g. The Painting of the Halls: ...and quotes are coming in to paint from the Fellowship hall going back.
 - h. Comcast: ...wanted us to pay to connect us to their network. And now, they will not charge us to connect it. The service will be more expensive than AT&T, but will up our speed, offer three phone lines, static IPs, and a Smart Office (essentially a security system with cameras). Perhaps we can live without the Smart Office since it's a rental cost. We think that we could actually buy our own camera system for the initial cost and then have it. We'll look at the options and make a recommendation for next month.
 - i. Jimmy Cheshire: ...is an awesome gardener! Thanks, friend! And he singlehandedly fixed the railing in the back. He IS awesome. And we have some renderings from a landscaper. We'd like to recommend that we call for a contribution from our church family to help pay for this beautification effort. Would you like to donate a tree? And the planting season is coming up, so we'd like to get a move on with this. We have a plan and we'll get the costs.
- II. Finance
 - a. Finance update: current balance as of 9/18/2019: \$15,981.48. We have some big items coming up, so we probably need to change the draw request to 10K for the building and 40K for operations.
 - b. Treasurer's Report: we are under our draw amount, but with the item above, we'll get "on track" for our draw. All spendings are within parameters. Pledge

offerings are ahead of projections. Non-pledged cash offerings are down, but that's not a set number from year-to-year.

- c. Grant Writing Committee: Thanks to David Maddox! He has recruited one person and has another one on tap. And we just got approved for a 2K food grant.
- d. Professional Auditing: And we'll talk to a certain, recent retiree about that (Vicki Coffin, if she's willing). Or should we get a CPA firm to do it? Dena's research led to the finding that external audits are expensive and only used when there are irregularities. Jeff and Rachel Hayes can also help with it. When we do this, we'll be able to apply for more grant opportunities!
- e. Budgeting meetings: And so, Jeff, Chuck, Debra Gentry and Steph Coleman met on Saturday, September 14. And lo, the news was good. We are doing ok on the budget at this point in the year. And lo, the call for budgets from the committees are out (due by the October Session meeting, please). And lo, Pastor Mike deemed it to be good. Hopefully, we'll have the initial budget ready for November and due for approval in December.
- f. Miscellaneous Thanks, Rachel! Our future treasurer!

Other – Potential Future events

1. Movie madness in the winter (January-March 2020). Denny to work up proposal with Tom Wills.

2. Homecoming 2020? Could it be Pentecost Sunday, May 31, 2020 (Memorial Day May 25); would not conflict with CMA. Evening event. Post remodeling of chapel and bathrooms. Denny reported that at his recent homecoming, they started on Saturday evening. Perhaps we could do a Saturday afternoon/evening gig?! Starting Sunday, October 6, Paulino will be on site on Sunday mornings.

He will be responsible for:

- Opening the church on Sunday no later than 9:30 to accommodate Sunday School attenders
- Picking up trash outside
- Dealing with heat and A/C
- Making the coffee
- Setting up and taking down microphones, plugging in the audio recorder
 - putting batteries in handhelds and putting them on stands
 - plugging in the wired mics.
 - Removing batteries and putting them in the charger
 - returning mics to the case and vault
 Note: This is the least technical but most time-consuming part of doing sound on Sundays.
- Do security patrols
- Closing and locking the church, especially the sanctuary. This would be flexible depending on after-church meetings and events.
- Helping set up for special events, meals and programs.

There are a few reasons we made this change:

- It is hard to get people to be greeters on Sundays because the list of responsibilities can be daunting. Having Paulino handle things like opening and closing, making coffee, etc. would allow more people to participate as greeters.
- Either Michael Korak or Pastor Mike usually set up the microphones on Sunday. That's not time well-spent, especially for the pastor.
- Because our greeters tend not to open the church until 10:00 a.m. or later, we make it nearly impossible for newcomers or people without a door code to come to Sunday School. The church is literally chained shut at a time when we could be encouraging more participation and fellowship.
- There are some things that need to happen regularly and consistently and that will be best accomplished by the same person doing them each week.

Paulino will take Fridays off to balance his hours.

Urban Ministry Study through The Rev. Charlie Curb Center for Faith Leadership

DPC has been asked to participate in a proposed study though the Curb Center for Faith Leadership that will be funded by a \$1 million grant from the Lilly Ednowment.

The primary leaders at Belmont and the Curb Center are:

- Rev. Jon Roebuck director of the Curb Center
- Dr. Darrell Gwaltney dean of the College of Theology & Christian Ministry
- Dr. Bill Wilson director of the Center for Healthy Churches

The study would initially involve 12 churches in five cities: Nashville, Philadelphia, Charlotte, Richmond and Dallas.

The study focuses on churches with traditional Christian practices that are doing innovative ministry. In our case the attraction is a small church doing a large-scale homeless feeding ministry.

The program will last 5 years and will help us develop additional practices. It will be both a "window" and a "mirror."

Since the program will involve churches across denominations, it will also look at what's distinctive about our traditons.

It will involve some clergy and laity retreats; DPC elders will have opportunity to participate closely.

The larger goal will be to facilitate a larger, national conversation. And ultimately create a body of work that can help churches nationally.

Growth metrics will be more missional that dollars or people.

The grant should be awarded late in 2019 and work will begin in early 2020.

The first year will be about identifying and refining five characteristics of practice and then digging in to see how those practices were effective – or not – in particular contexts.

Through conversations, demographic and process studies and with the help of consultants we will better identify our strengths and passions and do what we do more effectively.

The study recognizes that in our contemporary culture effective strategy can only be planned out 18 months to two years, not 10 or 7 or 5 years.

There is no cost to DPC for this but we will benefit by participating.
