**Being Presbyterian Means Connecting and Sharing**

**Per Capita and Mission Giving...**

Per Capita is the way we financially support our connectedness of over 10,000 congregations, worshipping communities and mid-councils of the PC(USA).

Per Capita allows the whole church and its members to share equitably in the work of God's beloved church. Scioto Valley's Per Capita for 2017 is only \$33 per person for the entire year.

Mission Giving provides financial support for mission ministries locally and around the world. Each congregation makes an annual pledge to support mission, mission ministries and mission workers. Without all our congregations, we would not be able to be the church that God continues to call us to be.
