Columbus Overbrook Presbyterian Church.....

This week's congregation lifted up in prayer

Overbrook Presbyterian Church

Overbrook Presbyterian Church, 4131 N. High Street, started in 1914 as the Oakland Park Presbyterian Church, located at Oakland Park and Broadway Court. When the congregation outgrew its building in 1950, a new church was planned at North High Street and Crosswell Road. With the move to

the new location, the congregation voted to change the church name to The Overbrook Presbyterian Church. The Overbrook Church, which now graciously hosts the Office of the Presbytery of Scioto Valley, is an open community of God's people who serve and attend to needs of God's people and creation locally, regionally and globally. Current pastors are the Reverend Bill Gause, Senior Pastor, and the Reverend Mary Gause, Associate Pastor. For more information on Overbrook Presbyterian Church, visit the church website: www.overbrookchurch.org

Tuesday,

There is going to be something for everyone!

- Typical tailgate food with hotdogs on the grill.
- There will be 2-60 inch TVs playing the football game outside.
- OSU vs Rutgers, if that is a noon game, or whatever game looks the best if not.
- Games: Your favorite tailgate games like flag football, cornhole, can jam, etc...
- Inflatable Obstacle Course: Race your friends.
- The Buckeye Game Truck: Seriously, check this thing out! <https://buckeyevideogametruck.com/>
- 20 people at a time, playing video games on huge TVs, sitting on fancy stadium seats. It is something.

I hope you can get your churches excited about this day. It is going to be so much fun. This event works if you have 1 kid or 100. It helps bring the churches together. I helped plan this and the winter youth retreat, and every year kids talk about how great it is to see that there are teens just like them all over the presbytery who are normal and who love Jesus!

All you have to do is bring the kids and keep an eye on them while you watch football. A small price to pay for such a cool day with youth.

If you have any questions let me know and O-H...
