Dear Colleagues in Ministry,

The Commission for Nurture and Outreach (CNO) of the Presbytery of Scioto Valley offers a program to assist congregations that seek to be missional churches within the Presbyterian Church (USA). The Neighborhood Mission Grant program *honors the way your congregation reaches out in the name of Jesus Christ to your neighbors and community.*

The Commission's criteria for Neighborhood Mission Grants are:

- The mission project is financially supported by the congregation and is **evaluated and endorsed by the Session.**
- Only one project per church per year will be considered.
- Funding priority will be given to churches submitting requests for first-time projects. Second consideration will be given to recurring projects that add a significant new dimension of service.
- The project involves members of the congregation in "hands-on" ministry that builds a relationship between the congregation and the community.
- The project is consistent with our Christian faith and is compatible with the mission of the Presbytery of Scioto Valley, which includes being a Matthew 25 mid-council promoting the dismantling of structural racism and eradicating systemic poverty.
- The project supports life-affirming ways which allow people to maintain dignity, act on their own behalf, and be partners in activities that affect their lives.
- Grants may not normally be used for construction, capital improvements, or furnishings.
- Grant requests must not exceed \$2,000.

An application for funding follows and **can be submitted at any time throughout the year.** Applications are typically reviewed at CNO's monthly meeting, and, if approved, funding is typically distributed within one month of approval. Applications will be funded by CNO contingent upon available mission funds given by congregations through the presbytery annually. Therefore, we urge your congregation, and all the churches of our Presbytery, to increase pledges to the Basic Mission budget of our denomination. This funding is the source for our total mission budget within the Presbytery, including Neighborhood Mission Grants.

Once your project is complete or well underway, please send a brief report to the Commission on Nurture and Outreach at PSV Commission for Nurture & Outreach, 4131 N High St., Suite B, Columbus, OH 43214 or email Kathi Bubb kathibubb@gmail.com.
