

Update from the Coordinating Team (CT) on Omicron and your congregation, Jim Wilson, CT Convener. January 19, 2022.

Your Presbytery leadership recognizes that just when many of our congregations thought that they had found safe ways of resuming in person worship, the Omicron variant hit us. Each congregation, of course, must make its own decisions as to what changes to your safety protocols Omicron requires, and for how long. We continue to urge you to consult the Center for Disease Control website (<https://www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/index.html>) for guidance in measures to increase the safety of worship and other gatherings. We particularly suggest reviewing their latest guidance regarding face masks (<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/types-of-masks.html>). If you have questions or want to talk, please feel free to reach out to Jeannie Harsh (Executive Presbyter — jeannie@psvonline.org), Bill Gause (Stated Clerk — statedclerk@psvonline.org), or Jim Wilson (convener of Coordinating Team — jawilson@vorys.com).
