End-of-year means annual reports. Local church statistical reports are important, as per capita assessments and representation in higher councils of the church are both based on membership numbers. Church reporting is mandated by the Book of Order and one of the responsibilities of all sessions (G-3.0202f). Statistical information and instructions for completing the reports will be sent soon to all churches. The presbytery staff will help you prepare these reports; you just have to ask. If you have any questions, please contact the stated clerk at email: [statedclerk@transypby.org](mailto:statedclerk@transypby.org). Thank you, in advance, for attending to this very important task.
