

Congregational Issues Commission
Report to Presbytery
March 13, 2018

The Congregational Issues Commission met on November 14, 2017 by teleconference. Commission members in attendance were Kathy Riley, moderator; Janice Stamper, Scott Cervas and Bill Turner. Philip Lotspeich also attended.

The Congregational Issues Commission voted unanimously to recommend that the Coordinating Commission of the Presbytery of Transylvania form an Administrative Commission to counsel, advise and take actions as requested by the session of First Presbyterian Church, Pikeville. The Administrative Commission also would be empowered to take actions on behalf of the session of First Presbyterian Church, Pikeville if this is necessary in the judgment of the Administrative Commission. This would take place if, after meeting with the session, the Administrative Commission determines that the session is unwilling/unable to take the actions deemed necessary by the Administrative Commission.

Respectfully submitted,
Kathy Riley
Moderator
