

The Presbytery of Transylvania depends on the participation of ruling and teaching elders as well as members of our congregations, who support our mission and are willing to serve on one of our various commissions and ministries. Our collective ministry is lived out, not only in the communities in which we live and work, but in our communal work to provide structure and support for our congregations across the woods. The Presbytery's Commission on Representation works to pair openings with qualified and willing leaders. If you would be willing to share your leadership gifts with one of our commissions or ministries, please complete this form and leave it with Janet (COR Chair) or Robyn before you leave.
