PEACEMAKING GRANTS

The Presbyterian Church recognizes that the church is faithful to Christ when it engages in peacemaking. On World Communion Sunday in October a peace and global witness offering is received in most Presbyterian churches. The offering supports efforts to promote peace by individuals, congregations, presbyteries, synods and PCUSA at home and around the world.

The portion of the offering available to Transylvania Presbytery is administered by the Mission Ministry and awarded in grants to individuals or churches engaging in peacemaking either through service or education. As the amount made available through the peacemaking offering varies from year to year so do the number and size of grants. Awards will serve to supplement the funds provided by the applicants to carry out the described projects.

The attached application provides an outline for the information that should be provided about how the funds awarded will be used. Applications for Peacemaking Grants are due in the Transylvania Presbytery Office by October 15th. Awards will be announced in late November.

Applications can be scanned and submitted by email or mailed. For more information on peacemaking grants please call the presbytery office at 888-233-1544, 859 264 8867 or email rjustus@transypby.org.

Peacemaking Grant applications are due in the Presbytery Office by October 15.

Date Submitted:

1. Name, address, phone and email for congregation or individual applying for a Peacemaking Grant:
2. Amount being requested:
3. If applying for a grant for a congregation, attach a description of the peacemaking project for which funds are needed and the goals of the project. Please indicate the extent of the congregation's involvement in the project both financially and in the number of volunteers.

If applying for a grant for an individual peacemaker, attach a description of the peacemaking or peace education project for which funds are needed and the outcomes envisioned. Include information about the extent of your congregation's support for the project and indicate the personal funds that will be used. Include information about any other church or organization involved in the project.

4. Attach a budget for the project or educational program.
5. To encourage others to be involved in peacemaking, grantees will be asked to share information about their projects with others in the Presbytery. Please describe ways in which you would be willing to inform others about your project.
6. Name, Address, Email Address, Phone number for a person who can be contacted if further information about the application is needed:
7. Signature of Stated Clerk or Moderator of Session:
