

Congregational Issues Commission  
Report for November 2018 Presbytery meeting

Since the last presbytery meeting, and at the request of the session moderator, three members of the commission met with the session of a congregation that is working through a number of issues. These issues include financial constraints, decision making about short- and long-term pastoral leadership, and care and nurture of congregation members. The discussion was productive, and CI commission members will assist as needed in the future.

The commission continues to respond formally and informally to requests for assistance from congregations and pastors.

Respectfully submitted,

Kathy Riley
