

Church Revitalization and Development Ministry-February 2020 Report
February 4, 2020
Chair Jim Dougans, CLP, Maysville-First

There is not much to report early in 2020. Goals are in place and work is beginning on fulfilling objectives. The goals for 2020 are:

- Reconstitute the ministry team.
 - I have spoken with the General Presbyter and team members about adding to the team. This will be pursued.
- Consider ways to help churches gain greater forward momentum, e.g., New Beginnings, Vital Congregational Initiative, Matthew 25.
- Continue support for the work of the Phila Group, including the cohorts and Nicholasville Steering Committee.
 - The Steering Committee met on January 23 in Nicholasville.
- Strengthen small churches.
- Make resources available.
