**Nurture & Teaching**

NEW RESOURCES!!

By the time we get to the Presbytery meeting on February 4<sup>th</sup>, I will have just returned from POINT training 2020 and the Annual Event for the Association of Presbyterian Church Educators.

Please come by my table in the Fellowship Hall before or after the meeting to browse!

In the meantime, I encourage you to browse the PC(USA) store at [www.pcusastore.com](http://www.pcusastore.com) for resources for study, preaching, spiritual growth, faith formation for all ages, and so much more! If you sign up for their emails, you will get the notices for special discounts offered regularly on many year long and seasonal items.

If you have questions about any of the resources, let me know and I'll do my best to help.

Blessings!
