The new moderator wishes to continue discussions around the theme of "Life Together" and shares these words:

In keeping with and expanding on last year's theme of "Life Together," let us look more closely and revisit our own personal faith journey. It is my hope that, knowing more about others' journeys, we can have a fuller understanding of our "life together." This knowledge of our personal journeys can then be expanded into the lives of our congregations, and beyond. As we come together in this new year-and new decade-please consider these two questions:

*Who were the one or two people, other than immediate family, that helped to shape your faith journey? (You may have begun this journey as a child or maybe later in life.)*

*What two songs or hymns played a significant part in your journey?*

God's blessings to each one and see you soon in Lexington.

The Rev. Jerry L. Utt, II  
Stated Clerk
