Dear Members of the Presbytery of Transylvania,

I want to thank the members of the presbytery for the resolution adopted at the February 4, 2020 meeting as recognition of my retirement as Clerk of Session of The Presbyterian Church of Danville. It was so nice to have Philip Lotspeich, Executive Presbyter, and Linda Crawford, Moderator, at the worship service on February 16th when I was recognized and Philip presented me with the resolution. Being Clerk of Session of my church has been a big part of my life and serving in this way has been an honor. As in any church there have been many good times and some not so pleasant and even sad times, but I will always cherish the memories and support of this congregation.

As I have told them, I am not going anywhere and plan to continue to serve in any and all ways possible.

Blessings to all of you and thanks again for the honor you have shown me at this time.

Sincerely,

Jean Harney

I hope all are healthy and well. I wish we could be together in person, but as the coronavirus pandemic prevents that from happening, I write to share these key updates from the Board of Pensions. If you have questions, my colleagues in Philadelphia and I are happy to assist.

Blessings,

Edward Thompson

Changes to benefit offerings for 2021

The Board of Pensions has announced changes to the Benefits Plan that extend support to more ministers and add benefits that promote financial protection for all church workers effective January 1, 2021. Employers can choose benefits for 2021 beginning July 20.

Minister's Choice benefits package added

To address the Board of Pensions' concern that too many ministers are not enrolled in the Benefits Plan, the 2021 plan offers two benefits packages for PC(USA) ministers: the existing Pastor's Participation and the new Minister's Choice.

Enrollment in Pastor's Participation, a comprehensive benefits package with medical coverage and pension participation, is required for installed pastors and may be offered to any minister with a minimum 20-hour workweek. Dues, paid in full by the employer, will remain at 37 percent of effective salary for 2021, with no reduction to existing benefits and the addition of the new Temporary Disability Plan.

Benefits Packages		
	Pastor's Participation	Minister's Choice
Medical Plan	● PPO (includes EAP)	EAP only
Death and Disability Plan	●	●
Temporary Disability Plan	●	●
Defined Benefit Pension Plan	●	●

● Included in package

Minister's Choice, available for non-installed ministers working at least 20 hours a week, includes pension, death and disability, temporary disability, and the Employee Assistance Plan. The cost is 10 percent of effective salary, also fully employer paid.

Minister's Choice also opens the door for eligibility to assistance and education programs that have been available only through Pastor's Participation, such as CREDO and Minister Educational Debt Assistance.

New Financial Protection Programs

For 2021, the Board of Pensions has added financial protection options, including the Temporary Disability Plan, Long-Term Disability Plan, and an expanded term life benefit.

The Temporary Disability Plan provides a partial weekly income for up to 90 days of disability, with a 14-day waiting period before benefits payments begin. Employers pay the full cost for ministers enrolled in Pastor's Participation and Minister's Choice. Employers may offer it outside of those benefits packages, with the employer or the member paying the full cost.

The Long-Term Disability Plan offers financial protection for employees with a disability that surpasses 90 days, providing a partial monthly income throughout their disability. Employers may offer the plan to employees who are not enrolled in the Death and Disability Plan (which includes a long-term disability benefit) and are working at least 20 hours per week. Employers pay the full cost of coverage.

The Term Life Plan offers the same low-cost coverage available in the 2020 Benefits Plan. But in addition to a fixed amount of coverage (from \$5,000 to \$50,000), it includes a new feature — an income-based benefit amount, equal to one times a member's effective salary, capped at \$50,000. Under either option, employers pay the full cost of coverage.

The Board of Pensions' goal is for every minister and church worker to have access to quality benefits in support of well-being. The 2021 Benefits Plan advances on that goal while also enabling more ministers to access assistance and education programs designed to help them devote their best gifts to ministry.
