

**Presbyterian Women
March 16, 2021**

The PW of the Transylvania Presbytery are planning on conducting a virtual spring gathering, much like the virtual gathering in the fall. Our theme will be "Hope and Healthcare." Be on the lookout for a YouTube link to land in your inboxes in April!

The triennial, national churchwide gathering of Presbyterian Women that was supposed to take place in August 2021 has been cancelled. A virtual business meeting and program with worship service is in the works for August.

Respectfully submitted,

Candace Moberly
Co-Moderator of the PW of Transylvania Presbytery
