

## **Pulpit Supply Guidelines and List Transylvania Presbytery**

The names and contact information listed below constitute the Transylvania Presbytery Supply preacher list. The Presbytery has reviewed the qualifications and suitability of each person. We recommend that when your church needs someone to fill the pulpit on a particular Sunday, you contact one of the persons listed below.

**We recommend that the minimum payment for leading one service to be \$150 plus mileage at the prevailing IRS rate (58.5 cents per mile for 2022).** If a second service or leading a Sunday school class is involved, the amount should increase modestly (e.g. \$50 and \$75 respectively). We recognize that there may be a variety of circumstances, which would call for a different payment arrangement. If the church or supply preacher desire some different arrangement that should be discussed and agreed to ahead of time.

### **Rationale:**

Supplying the pulpit involves a significant commitment of preparation time by the supply preacher. Estimates of the time spent for one supply preaching date range from  $\frac{3}{4}$  of a day to 1.5 days. It should also be pointed out that supplying the pulpit should not be viewed as a gradual way to work into a more permanent relationship with a particular church. Should a church find itself engaging a supply pastor more than two Sundays per month, it is highly recommended that this be discussed with the Presbytery's Pastoral Transitions Commission.
